HAMLIN, JONES COUNTY, TEXAS, AUGUST 15, 1963

\$3.00 Per Year—SINGLE COPY, TEN CENTS

TWO HAMLIN GIRLS ENTERED IN COUNTY QUEEN CONTEST

Two Hamlin school girls, Kay Johnson and Linda Lee Goodwin are among the nominees for queen of the Jones County Fair August 23-24. This year's fair and horse show will be the 5th annual county-wide exposition and will be staged at Anson where a large livestock barn and other facilities were erected some three years ago.

Miss Johnson, sponsored by the Hamlin High Future Farmers of America Chapter, is the chapter's sweetheart. She graduated from HHS last spring and will be a freshman at West Texas State this fall. Her parents are Mr. and Mrs. Lewis Johnson. She is a former Piper Queen nominee and a homecoming queen nominee last year. She was a member of the pep squad, Home-

ers of America and the Spanish Club.

Linda Lee, daughter of Mr. and Mrs. W. W. Goodwin, Rt. 1, Hamlin, is sponsored by the Hamlin Friendship Home Demonstration Club. She will be a freshman in Hamlin High this fall where she will be a member of the pep squad. In junior high school she was pianist for the Choral Club the past three years and last year won second place with her vocal solo in the Interscholastic League contest. She has been a piano student of Mrs. L. B. Baker for the past seven years.

The queen candidates will ride in the fair opening parade Friday afternoon, Aug. 23, at 2:30 and will be presented on a fair ground stage that evening at 8:00 for final judging and the coronation ceremony.

FINAL PREPARATIONS BEING MADE FOR JONES COUNTY FAIR

Preparations for the staging of the 5th annual Jones County Fair in Anson are being stepped up with the approach of deadlines for entries in the various divisions. The dates for the exposition and horse show are August 23-24.

Just prior to the deadline livestock entries were running ahead of last year and interest in the expanded horse show was increasing. Entries in both halter and performance classes in the horse division will be accepted up until the events on Saturday, final day of the fair.

With Monday the final day for entering the fair queen contest sponsors had completed entrance requirements for 11 young beauties. It has been announced by Mrs. Stuart Propst of Anson, chairman.

The queen contest finals and coronation will be on a fair ground stage Friday evening at 8:00, Aug. 23. First public appearance of the queen candidates will be in the fair opening parade Friday afternoon at 2:30.

Free Inspection Clinic Offered By Prewit Motors

A free Service Inspection Clinic is planned for today and tomorrow by Prewit Motors, local Chrysler-Plymouth dealers, according to Iene Gene Prewit, owner. The clinic will be staffed by the company's factory trained mechanics and will also have on hand a factory representative to help with the inspections.

Mr. Prewit said that there will be no obligation on the part of the public but he stated that this would be a good time to have your car thoroughly checked and to ask the factory representative any questions about the performance of it.

Little Dandy Snack Barn to Open Soon

Mrs. Langford McCracken is making preparations to open a new eating establishment here to be named the Little Dandy Snack Barn. The business will be open as soon as installation of equipment is completed.

Mrs. McCracken said Tuesday that the snack center would be open as soon as possible and a formal opening celebration is being planned and will be announced later.

Foot-long hot dogs and the "largest hamburger in town" will be the top items on the varied menu. There will be a serving area inside as well as a self service window. A special drive-up window will enable customers to pick up their telephone orders without leaving their car.

Singing Sunday

The Jones and Fisher County Singing will be this Sunday at 2:00 p.m. in the Foursquare Church. Everyone is invited to come and hear the many good singers that are expected.

Vernon Mayfield Gins Area's First Cotton Wednesday

The first bale of cotton in the Hamlin trade territory was brought in at 3:30 p.m. Wednesday by Vernon Mayfield, according to W. W. Fletcher, manager of the Hamlin Farmers Co-op Gin.

The cotton was ginned free and will be purchased by the local gin at a premium price.

Mayfield, who farms six miles east of Hamlin brought in 2,050 pounds which processed 475 pounds of lint and 920 pounds of seed.

The Hamlin Board of Community Development will award Mayfield \$50 for bringing in the first bale.

Annual Junior Golf Tournament Date Set for August 27

The Hamlin Youth Golf Tournament will be held here Tuesday, August 27, beginning at 8 a.m. The tournament is being sponsored by the Hamlin Women's Golf Association and there is a 50c entry fee.

Cold drinks and fried pies will be served. Trophies will be awarded in the four divisions. The age groups are 10 and under, 11 and 12, 13, 14 and 15, and 16, 17 and 18.

Church of Christ Announces Dates For Gospel Meeting

Dates for the gospel meeting to be held at the Church of Christ were announced this week by Thomas E. Cudd, minister. Abe Lincoln of the Meadowbrook Church of Christ, Fort Worth, will be the speaker.

Services will be held August 25 through August 30 at 10 a.m. and 7:30 p.m. Sunday services will be held at regular time.

Yearbook to Be Issued Monday

The 1963 yearbook will be issued to the 1963 seniors Monday at 8:30-9:00 in the cafeteria.

Other students may pick theirs up when they register next week.

HIGH SCHOOL PRE-ENROLLMENT TO START HERE MONDAY

The following schedule will be followed for pre-enrollment of all high school students for the 1963-64 school year. The school administration urges that students follow this schedule and in the event they are unable to register during this week they may come at any time during the morning of August 26 thru 30.

CLASSIFICATIONS: The following will determine your classification; however, this is based only upon academic subjects. Seniors must have at least 11 credits, Juniors must have at least 7 credits, Sophomores must have at least 3 credits.

Seniors are to register from 9:00 until 11:30 a.m. on Monday August 19.

Juniors are to register from 1:00 until 3:30 p.m. on Monday Aug. 19.

Sophomores are to register from 9:00 a.m. until 11:30 a.m. on Tuesday, August 20.

Freshmen are to register from 1:00 until 3:30 p.m. on Tuesday Aug. 20.

NEW STUDENTS: Those students who have moved into Hamlin and will be attending the Hamlin Public School for the first time (these are high school students) we would like for you to contact us at the school office as soon as possible so that we can file your school for your transcript of your grades.

FEES: Every High School student is assessed a \$1 library fee which is used for the purchase of newspapers, magazines, library books, and teaching aids. This is payable at the time of enrollment of each student.

The students taking Typing I or II will be assessed a fee of \$2.25 per semester or \$4.50.

FARMER TAKES COACHING JOB AT ANDREWS

Edd Farmer, basketball coach here for the past four years, has resigned to accept a coaching position in Andrews. He will be assistant football and basketball coach and will head the tennis program for an annual salary of \$7,290.

He served as Hamlin's head boys' and girls' basketball coach last year and the three years prior to that he was girls' cage coach and football assistant. He came here in 1959 from Clyde where he had been head coach for one year.

Under his guidance the Hamlin girls finished second place in regional the past two years. He also taught algebra and general math in high school.

In Andrews he will be associated with Glenn Frazier, athletic director and head football coach, and will work under Neal Laminack, former Hamlin basketball coach before going to Seminole and then to Andrews.

Farmer and his wife, Harlene, have two children, Eddie, 9, and Vivian, 6. They are members of the First Baptist Church.

He was a former member of the Hamlin Jaycees and Mrs. Farmer was a former member of the Fifty-two Study Club.

Farmer will be in Andrews today (Thursday) to begin the duties of his new position. The family will probably be moving next week.

Farmer said that he was grateful to the town, the school and everyone who helped to make his stay in Hamlin enjoyable.

MRS. BILLIE McILWAIN WINS POLE BENDING EVENT SATURDAY

Mrs. Billie McIlwain was winner of the women's event again Saturday night as she came in first in the pole bending contest with 22.2 time. She was previously the first place winner in the popular women's goat tying event two weeks ago. The event is one of many being held each Saturday evening during August by the Hamlin Riding Club.

Mrs. John Johnson was second with 25.2 seconds and Mrs. T. W. Fleniken was third with 30 seconds flat in the pole bending.

Tommy Johnson won first in the stick horse race with Ricky Crowley and Tom Jameson second and third.

In the barrel racing, Jimmy Dalley won first with 21.9 seconds, Thresa Gabriel won second with 29 flat and Brit Thompson third with 29.6.

Jimmy Dalley also won first in the pole bending with 21.9 seconds. Jo Lynn Johnson had a 29 flat time and Brit Thompson had a 29.1.

Dalley made it three straight firsts when he won the flag race, Danny Woods, 16.1 and Laquita Long, 19.5 were second and third.

Laquita Long was the only bull rider to stay on her bull. The ribbon racing was won by Billy McIlwain in 14.6 seconds and T. W. Fleniken had 20 flat.

Family night is every Saturday night at 8 at the local arena.

BIRTHS

Mr. and Mrs. J. L. Perryjohn of 920 S. E. Ave. C. are the parents of a baby girl born August 12. She weighed 5 lb. 11 oz. and was named Patricia Renay. They have two other children, Franklin and Debora.

The maternal grandparents are Mr. and Mrs. H. A. Rumfield of Hamlin and the paternal grandparents are Mr. and Mrs. E. F. Pettyjohn of Donna.

Mr. and Mrs. Syl Godfrey of Aspermont are the parents of a baby boy born August 7. He weighed 3 lb. 12 oz. and was named John Edwin. They have two other boys, Michael and Stephen.

The maternal grandparents are Mr. and Mrs. Fred Ellis of Fort Stockton and paternal grandparents are Mr. and Mrs. Olen Godfrey of Jayton.

Mr. and Mrs. Tommy Ellis and children of Stillwater, Oklahoma, are visiting here with Mrs. Ellis' parents, Mr. and Mrs. Bill Rountree. Mr. Ellis is an assistant coach at Oklahoma State University.

20 YEAR AWARD—T. C. Blankenship of Hamlin is presented the 20 year tenure award of the Vocational Agriculture Teachers Association. The presentation was made by Ralph S. Moser of Stephenville, president of the organization. The specially designed award is in recognition of the dedicated service rendered to Vocational Agriculture.

JAYCEES PLAN MINIATURE GOLF TOURNEY HERE AUGUST 23-24

Plans were made this week for the Hamlin Jaycees' First Annual Miniature Golf Tournament to be played on the club's nine-hole layout in the City Park, August 23-24. It was announced this week by James Wright, club president.

Joe Ford, project chairman, said that the tourney will be operated on the same manner as a regular golf tournament with 16 man flights of match play. Trophies will be awarded to first, second and consolation winners in each of the flights.

The 72-hole tourney will open on Friday night, August 23 with each entrant playing 36 holes. The finals will be played on Saturday night.

Entry fee will be \$2.00 and is open to all ages and for both men and women. The entry fee will entitle the participant to play one 18-hole practice round before the tournament gets underway. Entry fees and qualifying must be in not later than Thursday evening, August 22.

Out of town entries are invited.

The Jaycees' nine-hole course was built last summer and extensive remodeling was done on it this spring.

North Central Church Changes Service Times

A change in time for the evening services of North Central Avenue Baptist Church has been announced by the pastor, Rev. William C. Irwin Jr. The time change will be in effect Sunday.

Training Union has been set at 6 p.m. and the evening worship at 7 p.m.

9 Boys Attending Lueders RA Camp

Nine boys from the First Baptist Church are attending Royal Ambassador Camp at the Baptist Encampment Grounds at Lueders this week. The boys, accompanied by Gene Martinez, pastor of the Mexican Mission here, left Monday afternoon and will return today (Thursday) after lunch. S. L. Tate, R. A. leader, took some of the boys Monday and was there for a time Tuesday. Orin Miller also spent some time at the camp during the week.

The group includes Milbourne Noland, Joey Duncan, Darrell Craig, Leroy Kirby, John Hix, Davis Weaver, Dwayne Miller, Gene Stovall and Donovan Colley.

Mr. and Mrs. Mac Fullerton of El Paso are parents of a girl, Kathy, born Sunday morning. She weighed 7 lbs. Her paternal grandmother is Mrs. B. H. Fullerton of Abilene and the maternal grandparents are Mr. and Mrs. Elbert Fomby of Hamlin. The mother is the former Sara Kay Fomby and her husband is a former band director of Hamlin Public Schools.

Mr. and Mrs. C. C. Colhoun of Aspermont are the parents of a baby boy born August 9. He weighed 8 lb. 10 oz. and was named Walter Riley. They have two girls, Mary Ann and Peggy Sue.

The maternal grandmother is Mrs. Sil Bacon of Boswell, Oklahoma.

SEASON FOOTBALL TICKETS TO GO ON SALE NEXT WEEK

Season football tickets to all of the Pied Piper home games will go on sale at the office of the principal with the people who had season tickets this past year being able to get their tickets for this season between August 21 and August 23. After the 23 the tickets will go on sale to the general public.

There will be six home

games this year and if all of the games bought at one time the price will be \$6.00. The price if bought individually will be \$1.25 per game. The district ruling is that all reserved seats will sell for not less than \$1.00. The same price will be charged for both adult and student reserved seats.

The Pied Pipers will open this year away from home with Rotan and the first home game will be September 13, against Childress.

This year's complete schedule is as follows:

Sept. 6—Rotan, there.
Sept. 13—Childress, here.
Sept. 21—Spur, here, homecoming.
Sept. 27—Cisco, here.
Oct. 4—open.
Oct. 11—Merkel, there.
Oct. 18—Stamford, there.
Oct. 25—Winters, here.
Nov. 1—Ballinger, there.
Nov. 8—Haskell, here.
Nov. 15—Anson, here.

Those who desire the same seats they have had in the past are requested to go by the school office between August 21 and August 23, or call either SP 4-1624 or SP 4-1322 and the school will hold these seats for you.

County Historical Survey Committee Seeking Graves

The Jones County Historical Survey Committee is searching for the unmarked graves of Civil War Veterans which might be located in Jones County—with the intention of securing the State supplied headstones to mark these graves. Anyone knowing of the location of such unmarked graves are asked to get in touch with Miss Hyberia Grace, of Anson, or Bernard Buie, Stamford.

The Jones County Committee have approved one historical site in the county and are searching for others which might be due recognition. The Jones County Commissioners Court recently voted to locate on the Courthouse Square in Anson a state supplied marker to old Fort Phantom Hill and to the Butterfield Trail which was closed by the Civil War.

Fire Department Answers 4 Calls

Four fire alarms have been answered by the Hamlin Volunteer Fire Department during the past week.

Thursday about 10:30 p.m. J. O. Priddy and son, John, were driving by the L. B. Bruner residence, six miles north east of town, and noticed the house on fire. They stopped and started to cut a hole in the roof to extinguish the fire as Mr. Bruner arrived home. Mr. Bruner went for help but by the time the fire department booster truck arrived the fire had been put out. Damage was minor.

The blaze was believed to have been started from a short in the electrical wiring. Priddy is a member of the Hamlin fire department.

Tuesday morning at 7:50 a.m. the booster truck went out about 10 miles south east of town following a summons for a tractor fire. The firemen were unable to locate a fire.

A grass fire at 1:45 p.m. Thursday, August 8, was reported in the alley of the 600 block of Northeast Ave. A. Another grass fire Tuesday afternoon located one-half mile north of the T. P. Coal and Oil Camp also resulted in no damage.

Snyder Downs Rebels, 21-5.

Mrs. Jerry Pritchard hit a two run home run to put the Rebels ahead of the Snyder Yellowjackets in the second inning 4-0. The Yellowjackets tied it up in the fourth inning with the help of some fielding errors.

Snyder got seventeen runs in the top half of the sixth inning on errors and two back-to-back home runs.

The final score was 21-5.

The Rebels will end their season this Saturday in the Robert Lee tournament. They play Abilene at 1:00 p.m.

MRS. CLIFTON BRANNON will speak Saturday evening

Years Ago ...

FIVE YEARS AGO:

Arson has been indicated in several of the more than 50 grass and trash fires of the past two months, it was pointed out this week by James Josey, Hamlin Volunteer Fire Department chief, and city and county officers, who have been called in to make investigations.

Preliminary plans for organizing a Riding Club for Jones County were made Monday evening when about 25 interested men met at the Pied Piper Drive-In to discuss the proposal. The meeting had been called following development of new interest in such an organization in recent weeks.

Work of C. F. Cook Jr., son of Superintendent of Schools and Mrs. C. F. Cook of Hamlin, with electronic microscopes has been attracting considerable attention to releases from the Phillips Electronics Corporation of Oceanport, New Jersey.

Young Cook was pictured with one of the elaborated microscopes on the front cover of the Norelco Reporter.

TEN YEARS AGO:

City water rates are scheduled to be reduced next week, on August 1, when water from the newly completed Paint Creek Lake east of Stamford is turned into mains at Hamlin. Water use has been restricted for many months because of a scarcity.

Chief Lee Hastings and

City Fire Marshal T. W. (Mickey) McGuire are at College Station this week attending the annual firemen's short course.

FIFTEEN YEARS AGO:

Hamlin housewives this week joined a state-wide movement of strike against high meat prices. Using their phones to contact women of the community and urged them not to buy meat until prices are lowered were Mmes. Jack Russell, John Edwards, Brad Rowland, W. L. Fletcher Jr., Harold Conner, Edward Gardner and Lester Morton.

After more than 38 years in its outmoded quarters, the Hamlin Fire Department is moving this week to new quarters on North Central Avenue, according to Fire Chief T. W. (Mickey) McGuire. Open house is set for Thursday evening in the new quarters.

TWENTY FIVE YEARS AGO

Mr. and Mrs. Jess Young and children left last Thursday for California. Their brother, Wetsel Proctor, lives in that state. They will be in Midway City and Seal Beach, California.

G. C. Collum of Dallas has been named band director for Hamlin High School, and prospects are bright for good band and orchestra the coming year, Collum says.

Another four or five inches of rain fell in the communi-

ty over the week end to further boost crop prospects.

W. H. Murphy left Sunday for Bethany, Oklahoma, where he will spend several weeks.

Mr. and Mrs. J. H. Windet returned to their home at Granite, Oklahoma, after visiting with Mrs. L. H. McBride and family.

Wanda Sebastian returned Sunday from Kermit, where she visited friends. Bernice Allen returned home with her for a visit.

FORTY YEARS AGO:

Plans for Victory Week in the membership campaign of the Texas Farm Bureau Cotton Association in Jones County will be laid at a meeting of the Executive Committee and the entire membership to be held at the Court House in Anson, Saturday, August 4, at 2:00 o'clock.

Mrs. Clyde Wilson and children have returned from a three weeks visit in Corsicana, Dallas and Fort Worth, where they visited relatives and friends.

Misses Ruby Acuff and Lenie Greenway will leave for a fine vacation trip to Galveston, this Saturday.

Speed Limits To Be Raised On August 23

AUSTIN—More than two-thirds of the Texas highway system will come under the new 70-miles-per-hour daytime maximum speed for passenger cars which becomes effective August 23, the Texas Highway Commission revealed today.

Under the speed control law passed by the Legislature this spring, all highways not zoned down by the Commission will automatically go to the new 70 mph speed August 23. This means that some 41,500 miles of the state-maintained highway system will be allowed to come under the higher maximum speed.

The Commission today passed a Minute Order which zoned some 18,640 miles of the highway system at a maximum of 60 miles per hour daytime and 55 miles per hour at night for passenger cars, effective August 23. These highways will be restricted to the lower speed limit because engineering studies indicate they are inadequate to accommodate a 70-mile-per-hour maximum.

The Commission's action followed a series of engineering traffic studies conducted throughout the state by the Highway Department's 25 highway districts.

Precious SIGHT

No price is too high to pay to protect the eyesight of ourselves and our children. Good eyesight is an absolute necessity in the earning of our livelihood, in the school work of our children, and in the enjoyment of all of life.

But there is another type of sight which in these times is often neglected — spiritual sight. We and our children need to be established and grounded in the love of God and His commandments, and to rely on Him. We need to meet His requirement of loving our neighbors as ourselves, thus making a better home life, community life and a better world. Psalms 34:8 reads, "O taste and see that the Lord is good; blessed is the man that trusteth in Him." Attend the church of your choice this Sunday.

EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

\$27 MILLION

... has been spent
recently for commercial
construction in our
service area.

Recently published figures of industrial expansion in our service area reached a huge \$28 million.

Add to that another vast expansion figure and you have an even more impressive total.

\$27,000,000 was spent on new commercial construction and for expansion of existing businesses in the same time period, in the same WTU service area. This is why we say "The Center of the Southwest" is one of the Nation's fastest growing regions.

Such industrial and commercial expansion, plus civic and other improvements, strengthen our conviction that this region faces growth unlimited.

... more proof that
the Center of the Southwest
is one of the Nation's
fastest growing regions.

FAIRVIEW NEWS

By MRS. ELMER JOINER

Revival services are in progress at the Fairview Church and so far there have been good crowds attending. We are so sorry that our revival and the one at the First Baptist, in Hamlin, will coincide this coming week, for we have friends and former members, that we would love to have come be with us, how ever we had several of them before their revival started.

The members of the church met last Thursday night, in the home of the pastor, Rev. and Mrs. Leverett, for prayer

services and a get together. After the devotional period, the pastor led some games, followed by refreshments. All those attending enjoyed the evening very much.

Midweek prayer services and singing, Wednesday night, had the same number that we had in Sunday School, the week before, which we still think is a record that the larger churches can't reach.

It seems that every week we are reminded how uncertain this life is, when we attend funerals for our friends

and neighbors. This past week it came close to this reporter, when we saw some of our own family lose a dear one. J. E. McCoy Sr. better known as Blackie McCoy, father of J. E. McCoy Jr. Hamlin, passed away in the Sweetwater hospital, Thursday afternoon, after having suffered a heart attack earlier in the day. Mr. McCoy had resided in Sweetwater about 18 years, having been a former resident of Hamlin, before moving to Abilene, prior to moving to Sweetwater.

We also learned of the death of Mr. Monroe Potter of Anson, funeral service were held Friday afternoon. Mrs. Potter will be remembered as the former Mrs. Levi Bush, early residents of our commu-

nity. Mrs. W. D. Jones, step-mother of Mel Jones, also passed away and was buried at Hawley Tuesday. Mr. and Mrs. Jones attended church at one time for several years, when they lived here. He passed away some years ago.

Nancy Ford went to Dallas last Sunday, where she spent until Friday, attending a cheer leaders school, at S.M.U.

Billy and Randy Jones, grandson of Mr. and Mrs. Mel Jones, were visitors in church Sunday morning. They are the sons of Mr. and Mrs. Bill G. Jones, of Sherman, who with another son, Jimmy are visiting his parents and hers, Mr. and Mrs. J. W. Bowman, of Hamlin, while he is on vacation.

Mrs. Woodrow Goodwin and Linda, and Mrs. Elmer Joiner attended a coffee in the home of Mrs. Noble Greer, Hamlin, last Friday morning. This was for members of the Friendship H. D. club and as Linda will represent the club at the Queen's contest at the Jones County Fair, she and her mother were guests. Donations were also made to buy some things for the convalescent home soon to be opened in Hamlin.

Mr. and Mrs. Adrian Hile, Abilene, visited with the Goodwins, Friday afternoon. Rev. and Mrs. Leverett, and little daughters, Kimmie and Kristie, Mr. and Mrs. Jack Wright, Melinda and Keenan, were dinner guests of Mr. and Mrs. Flavel Holmes Sunday.

Mr. and Mrs. E. A. Henry went to Rule last Thursday night and had supper with Mrs. Mary Sue Henry and her daughter, Ann.

Children of Mr. and Mrs. George Wainscott, Mr. and Mrs. David Higgins and two sons, from Abilene, were visitors with them Saturday and until bed time.

Mr. G. W. Wainscott is still at home, his condition remains about the same.

Sunday afternoon, Mr. and Mrs. Fred Rosenbaum went to Anson to visit with Mr. and Mrs. Thomas Moss.

Mr. and Mrs. Joe E. Ford and children, Hamlin, were Sunday afternoon visitors of

his parents, Mr. and Mrs. Joe Ford.

When this is in print our revival will be in the last stages, but if you haven't attended by then, we urge you to come be with us in the closing services.

Canceled checks are one of the best proofs you can have for income tax deductions.

Proposed CONSTITUTIONAL AMENDMENT NUMBER FOUR ON THE BALLOT

PROPOSED CONSTITUTIONAL
AMENDMENT NO. 4, BEING
ON AT AN ELECTION TO BE
HELD ON NOVEMBER 5, 1963.

SENATE JOINT RESOLUTION
NO. 16, proposing an amendment
to the Constitution of the State
of Texas, to increase the total
amount of bonds or obligations
that may be issued by the
Veterans' Land Board, to
three hundred fifty million
dollars (\$350,000,000.00); providing
for the issuance of said bonds
and the conditions relating
thereto, and the use of the
Veterans' Land Fund; and
providing for an election,
and the issuance of a
proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so the same will read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas, the Veterans' Land Board, which shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be a member of the Veterans' affairs and one (1) of whom shall be well versed in finance. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve the unexpired portion of the term to which the deceased or resigning member had been appointed. The members of said Board shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Three Hundred Fifty Million Dollars (\$350,000,000.00) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund. Two Hundred Million Dollars (\$200,000,000.00) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for not less than par value and accrued interest shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used, and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half percent (4½%). All bonds or obligations issued and sold hereunder shall, after the Attorney General of Texas, by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or pur-

chaser, be incontestable and shall constitute general obligations of the State of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds.

"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price thereof, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to such bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands, sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any such lands to comply with his bid and accept and pay for any such lands; and interest received from investments of any such moneys. The principal and interest on the bonds heretofore and hereafter issued by said Board shall be paid out of said Fund in conformity with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes herein provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased hereunder) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the moneys attributable to such bonds, shall be set aside and remain a part of said Division for the purpose of retiring all such bonds, and when there are sufficient moneys to retire all of such

principal and the interest thereon, the moneys shall be set aside and remain a part of said Division for the purpose of retiring all such bonds, and when there are sufficient moneys to retire all of such

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to Texas veterans who served not less than ninety (90) continuous days, unless otherwise discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and March 31, 1955, and who upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold, may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds heretofore issued and sold by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale or resale, of any lands purchased with such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board, for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

"All moneys attributable to the bonds issued and sold pursuant to the Constitutional Amendment adopted on November 6, 1956, shall be credited to said Veterans' Land Fund and may be used for the purpose of purchasing additional lands, to be sold as provided herein, until December 31, 1965; provided, however, that so much of such moneys as may be necessary to pay interest on such bonds shall be set aside for that purpose. After December 31, 1965, all moneys attributable to such bonds shall be set aside for the retirement of such bonds and to pay interest thereon; and when there are sufficient moneys to retire all of such

lands, all of such moneys then remaining or thereafter becoming a part of said Veterans' Land Fund shall be governed as elsewhere provided herein.

"All of the moneys attributable to any series of bonds heretofore issued and sold by said Board in a series of bonds being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided to be sold at such time as may be determined by said Board, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds heretofore issued and sold shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds heretofore issued and sold to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds heretofore issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a substitute for the future action of the Legislature, there is hereby reserved in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions and authority to the Veterans' Land Board as it believes necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption."

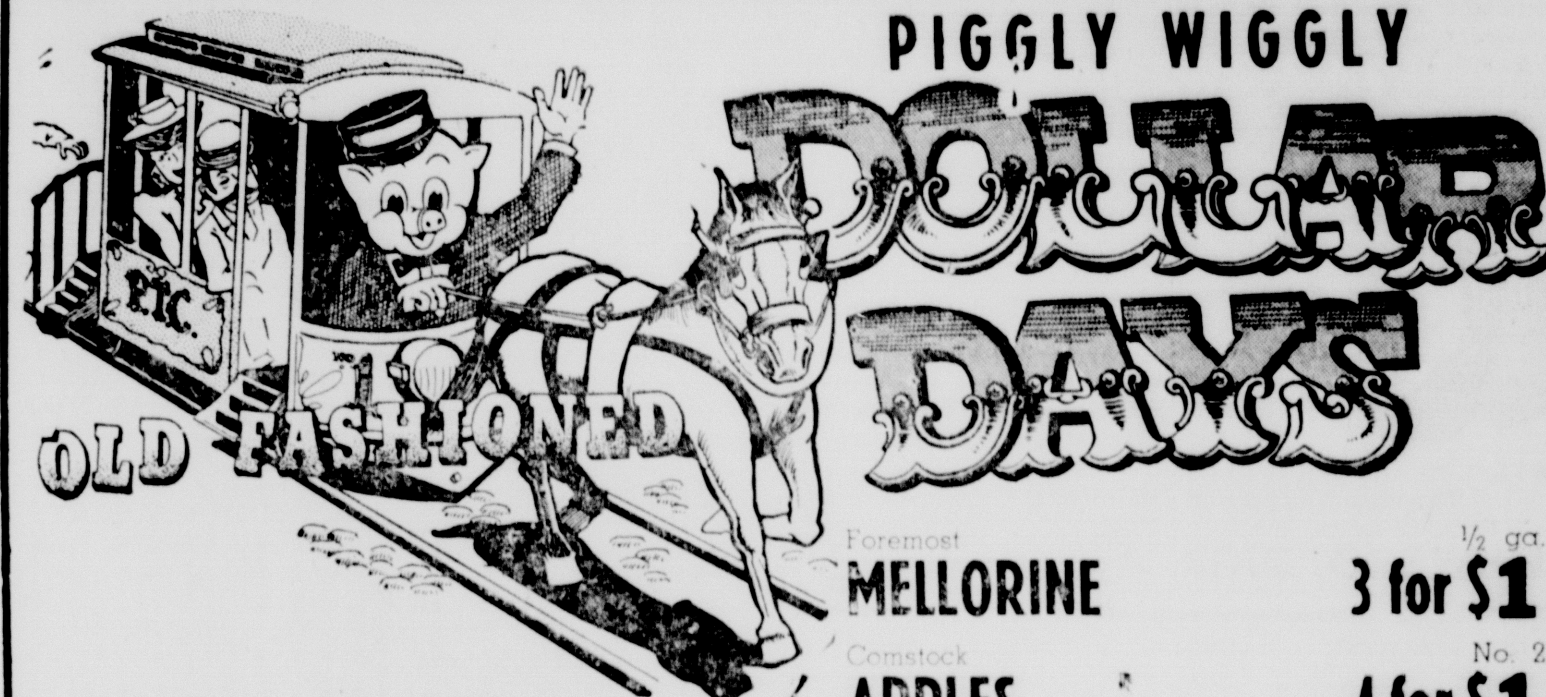

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Saturday after the first Monday in November, 1963, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$150,000,000.00; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law"; and

"AGAINST the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$150,000,000.00; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law."

If it appears from the returns of said election that a majority of the votes cast were in favor of same Amendment, the same shall become a part of the State Constitution and be effective from the date set forth in said Amendment, and the Governor shall issue a proclamation in keeping therewith.

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this state.

MOTORISTS WARNED TO USE CAUTION WITH NEW SPEED LAW

AUSTIN—The director of the Texas Department of Public Safety warned motorists today "not to take the new higher speed limit to literally" when they go into effect August 23.

Col. Homer Garrison Jr. reminded that "there are a multitude of circumstances and situations under which the old limits were too fast for safety."

"With more than two-thirds of the Texas highway system under a 70-mile-per-hour daytime maximum speed for passenger cars and 65 miles per hour at night, we wish to appeal to all Texans to exercise keen judgement and drive reasonable and prudently regardless of what the signs say. The law prohibits driving a vehicle too fast for existing conditions."

"The Department of Public Safety believes that the objective of speed legislation is to contribute to the efficient movement of traffic on the highways. We feel the new law will help accomplish this, and

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN, — Texas Youth Council's parole division will triple in the next six months or so. But the problem of trying to help "reform school" graduates become useful citizens is still great.

Until September 1, five state parole officers are responsible for some 1,800 juvenile parolees spread over 169 counties. That's a ratio of one parole officer to about 367 parolees, compared to national standards of one officer to 40 parolees.

Staff will increase to 10 on September 1—a ratio of one to 178. On March 1, 1964, when five more will be down to one parole officer to 119 parolees, spread over the Lone Star State.

Biggest number of parolees is centered in big cities where the general rate of crime is always higher. More than a third of the parole children are in Dallas, Harris and Bexar counties; another 288 in El Paso, Jefferson, Tarrant and Travis counties.

About 154 are in Nueces, McLennan, Bell and Lubbock counties.

But sizable juvenile parole populations are centered in smaller counties, such as Cameron, Grayson, Brazoria, Ector, Galveston, Gregg, Hale, Hidalgo, Howard, Hunt, Midland, Navarro, Potter, San Patricio, Smith, Taylor, Wichita and Williamson.

Some counties have only one paroled child. But the state is responsible for every one it has "retrained."

FIRST AID—State Regulatory Loan Commissioner Frank Miskell appointed Robert C. Duke, Houston attorney, as Deputy Commissioner and General Counsel of the new state agency.

Duke formerly served as acting Securities Commissioner in the Secretary of State's securities division.

Regulatory bill takes effect on August 23. Some 2,000 loan companies operating in Texas will have to file for state licenses at that time.

INSURANCE HEARING — A State Insurance Board hearing on proposed rules for regulating credit insurance—which pays off a man's debt if he dies, or makes the payments when he is disabled—drew a big crowd.

One controversial point was a ceiling rate of 90 cents per \$100 of insurance.

Some insurance company executives insisted the ceiling should be no more than 60 or 65 cents per \$100. But one spokesman thought the 90-cent per \$100 rate was too low and recommended \$1.

Some loan companies said they now give credit insurance free. They feared the proposed rules might outlaw this practice.

A second hearing with new proposed rules will be aired on September 10.

MONEY MEN—The Legis-

lative Budget Board, lawmakers who make the Legislature's financial decisions, recommended \$464,000 worth of state building to Gov. John Connally.

Plans approved included one by the State Hospitals Board to equip a genetics lab and follow-up clinic on mental retardation in the State Psychiatric Institute of Houston; new dormitories for Gatesville School for Boys, Gainesville School for Girls and Crockett School for Negro Girls; and several prison system units.

Authorization was recommended for \$25,000 worth of partitioning to provide 23 new offices in Atty. Gen. Waggoner Carr's department.

But the board talked at Texas A&M University's request to spend some \$100,000 on a home—exclusive of land and furnishings—for A & M President Earl Rudder, to replace the one destroyed by fire.

A compromise recommendation of about \$30,000 for a 4,500 square-foot home was the outcome.

SCHOOL LAND BOARD — Land Commissioner Jerry Sadler, Governor Connally and Atty. Gen. Waggoner Carr, members of the State School Land Board, make and revise leases on public school lands, including river beds, bays and inlets of the Gulf of Mexico.

Attorney General requested that he be removed from the land board. After August 23 he will be replaced by a private citizen of his choosing.

Before Carr leaves the board he will sign the deed which conveys state-owned land on Padre Island to the federal government for a natural seashore.

SHORT SNORTS — Rep. Sam F. Collins of Newton asked to be allowed to serve as a state representative without pay, when he accepted a job as assistant to General Manager John W. Simmons of the Sabine River Authority.

The State General Revenue Fund finished with \$19,500,000 in the black.

Comanche Reunion

The 14th annual Comanche County reunion will be held in Machenzie Park in Lubbock Sunday, August 25. The basket lunch will be served at 1 p.m.

New officers will be elected. Singing will be in the afternoon. Everyone is invited.

1964 FEED GRAIN PROGRAM PROVISIONS ARE ANNOUNCED

Major provisions of the 1964 Feed Grain Program have been announced by the U. S. Department of Agriculture and basically will be the same as in 1963.

The major change is an increase in the top limit on diversion from a farm's base acreage with an increase in the rate of payment for maximum diversion. This, the USDA said, is intended to encourage producers to divert additional feed grain acres and to increase their income.

Under the 1964 program a producer may divert as much as 50 per cent of his feed grain base acreage compared with a top of 40 per cent in 1963. Those who divert from 40 to 50 per cent will receive diversion payments at the maximum rate for all acres diverted. As before, the maximum acreage diversion will be 25 acres if this is more than 50 per cent of the base.

Producers who divert at least 20 per cent of their feed grain base will be eligible for payments computed by multiplying the number of acres diverted times 20 per cent of the normal yield times the county total price control rate for the grain diverted. For acres diverted between 20 and 40 per cent of the base, payments will be based on 50 per cent of the normal yield times the county support rate. A

diversion from the base between 40 and 50 per cent (or 25 acres if this is larger) will earn payments for the producer of 50 per cent times the normal yield times the total county support rate. Payments may not exceed 20 per cent of the value of the land diverted.

The total national average price-support levels in 1964 will be the same as in 1963, but slightly larger proportion of the support will be made available through loans. Payments-in-kind for both diversion and the non-loan part of price support will again be made in the form of negotiable certificates. The signup period for both fall and spring sown crops is expected to be early in 1964.

Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 9, 1963.

SENATE RESOLUTION NO. 21 proposing a Constitutional Amendment to the Constitution of the State of Texas, amending Sections 51-a and 51-b of Article III so that the same shall consist of one Section to be known as Section 51-a; providing that the Legislature shall have the power to provide for the payment of aid to the needy children and adults of the State who are aged persons over the age of sixty-five (65) years, (2) needy persons who are at least eighteen (18) years of age and less than sixty-five (65) years of age who are permanently and totally disabled, (3) needy blind persons over the age of twenty-one (21) years, and (4) needy children under the age of sixteen (16) years; authorizing the Legislature to set up residence requirements for eligibility for such assistance, repealing the Constitutional limit on the amount paid out of state funds to individual recipients of Old Age Assistance and Aid to the Permanently and Totally Disabled; providing that the amounts for such assistance payments shall not exceed the amounts that are payable out of federal funds for such purposes; providing that the amounts expended out of state funds for such purposes shall not exceed Sixty Million Dollars (\$60,000,000); providing for the acceptance of financial aid from the Government of the United States; providing for the necessary election, form of ballot, proclamation, and publication.

RE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Sections 51-a and 51-b of Article III of the Constitution of the State of Texas be amended, and the same are hereby amended, so that the same shall hereafter consist of one Section to be known as Section 51-a of Article III, which shall read as follows:

"Section 51-a. The Legislature shall have the power, by General Law, to provide, subject to limitations and restrictions herein contained, and such other limitations, restrictions and regulations as may be deemed appropriate by the Legislature, for assistance to, and for the payment of assistance to:

(1) Neely aged persons who are actual bona fide citizens of Texas, and who are over the age of sixty-five (65) years, provided that no such assistance shall be paid to any inmate of any state-supported institution, while such inmate; provided that the Legislature shall prescribe the residence requirements for eligibility; provided that the maximum amount paid out of state funds to any individual recipient shall not exceed the amount that is matchable out of federal funds; and provided further that the total amount of such assistance payments out of state funds on behalf of such recipients shall not exceed the amount that is matchable out of federal funds.

(2) Neely individuals, who are citizens of the United States, who shall have passed their eighteenth (18th) birthday, but have not passed their sixtieth (60th) birthday, who are totally and permanently disabled, or handicapped or a combination of physical and mental handicaps and are unable to support themselves, and are eligible for vocational rehabilitation; provided that the Legislature shall prescribe the residence requirements for eligibility; provided further, assistance under this program for the permanently and totally disabled during any period when he is receiving Old Age Assistance, Aid to the Neely Blind, or Aid to Dependent Children, nor while he is residing permanently in any state-supported institution; provided that the maximum amount paid out of state funds to any individual recipient shall not exceed the amount that is matchable out of federal funds; and provided further, that the total amount of such assistance payments out of state funds on behalf of such recipients shall not exceed the amount that is matchable out of federal funds.

(3) Neely blind persons who are actual bona fide citizens of Texas, and are over the age of twenty-one (21) years; provided that no such

assistance shall be paid to any inmate of any state-supported institution, while such inmate; provided that the Legislature shall prescribe the residence requirements for eligibility; provided that the maximum amount paid out of state funds to any individual recipient shall not exceed the amount that is matchable out of federal funds; and provided further, that the total amount of such assistance payments out of state funds on behalf of such recipients shall not exceed the amount that is matchable out of federal funds.

(4) Neely children who are actual bona fide citizens of Texas, and are under the age of sixteen (16) years; provided that the Legislature shall prescribe the residence requirements for eligibility; provided that the maximum amount paid out of state funds to any individual recipient shall not exceed the amount that is matchable out of federal funds; and provided further, that the total amount of such assistance payments out of state funds on behalf of such recipients shall not exceed the amount that is matchable out of federal funds.

"The Legislature shall have the authority to accept from the Government of the United States such financial aid for such assistance as such Government may offer not inconsistent with the restrictions herein set forth; provided, however, that the amount of such assistance out of state funds to each person assisted shall never exceed the amount matchable out of federal funds; and provided further, that the total amount of money to be expended per year out of state funds for such assistance shall never exceed Sixty Million Dollars (\$60,000,000).

"The Legislature may enact appropriate laws to make lists of the recipients of aid hereunder available to the public, subject to such limitations and restrictions as may be deemed appropriate by the Legislature."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Saturday after the first Monday in November, 1963, at which election all ballots shall have printed thereon the following:

FOR THE CONSTITUTIONAL AMENDMENT PROVIDING FOR ASSISTANCE PAYMENTS TO THE (1) NEELY AGED, (2) NEELY INDIVIDUALS WHO ARE PERMANENTLY AND TOTALLY DISABLED, (3) NEELY BLIND, AND (4) NEELY CHILDREN; AUTHORIZING THE LEGISLATURE TO SET UP RESIDENCE REQUIREMENTS FOR ELIGIBILITY; AUTHORIZING THE LEGISLATURE TO MAKE APPROPRIATIONS OUT OF STATE FUNDS FOR THE PAYMENT OF ASSISTANCE GRANTS ON BEHALF OF SUCH RECIPIENTS; PROVIDING THAT THE AMOUNTS EXPENDED OUT OF STATE FUNDS ON BEHALF OF SUCH RECIPIENTS SHALL NOT EXCEED THE AMOUNTS THAT ARE MATCHABLE OUT OF FEDERAL FUNDS; AND PROVIDING FURTHER THAT THE TOTAL AMOUNTS EXPENDED PER YEAR OUT OF STATE FUNDS FOR SUCH ASSISTANCE PAYMENTS SHALL NEVER EXCEED SIXTY MILLION DOLLARS (\$60,000,000).

AGAINST the Constitutional Amendment providing for assistance payments to the (1) neely aged, (2) neely individuals who are permanently and totally disabled, (3) neely blind, and (4) neely children; authorizing the Legislature to set up residence requirements for eligibility; authorizing the Legislature to make appropriations out of state funds for the payment of assistance grants on behalf of such recipients; providing that the amounts expended out of state funds on behalf of such recipients shall not exceed the amount that is matchable out of federal funds; and providing further that the total amounts expended per year out of state funds for such assistance payments shall never exceed Sixty Million Dollars (\$60,000,000)."

Section 3. The Governor of Texas shall cause the necessary Proclamation for the election and the Amendment shall be published in the manner and for the length of time required by the Constitution and laws of the state.

Beth, Darrell and Ricky Craig visited with the Bud Bradberry family in Anson Saturday.

Stamford Men Win Duplicate Bridge

John Reese and Wade Watts of Stamford won first at the Hamlin Duplicate Bridge Club Meeting Tuesday night. Mr. and Mrs. Grady Bowdry of Stamford tied with Mrs. Billy Joe Wilson and Harvey Elkins for second. Mr. and Mrs. Harry Yates won third.

The next meeting will be in the Oil Mill Guest House Tuesday night at 7:30.

Internal Revenue will furnish employers a free copy of "Employers Tax Guide" covering social security and income tax withholding.

Wedding Vows Exchanged in Garden Ceremony

A garden wedding at the home of Mr. and Mrs. Langford McCracken was the scene for the marriage of their daughter, DeNetta Moody, and Julius Decker of McCaulley. The bridegroom is the son of Mr. and Mrs. Martin Decker of McCaulley.

Rev. James Woods, pastor of Central Baptist Church of Aspermont, was officiating minister.

Given in marriage by her father, the bride wore a street length of mint green tulle designed with fitted bodice, brief jacket and full skirt. She carried white carnations atop a white Bible.

Londa Cavitt was maid of honor. She wore a white sheath dress with mint green accessories and a corsage of white carnations.

Howard Kean of Abilene was best man.

The reception followed in the home of the bride's parents.

The bride is a 1961 graduate of Hamlin High School. Decker was graduated from McCaulley High School and served several years in the Navy. He was discharged in April.

After a brief wedding trip, the couple will be at home in Shady Groves.

IS YOUR VISION UP TO PAR?

Just as other parts of your body, your eyes and vision should be examined regularly. Neglect is often costly.

BIRTH CERTIFICATE NEEDED FOR STARTING STUDENT

AUSTIN—About this time each year, thousands of Texas mothers suddenly realize that only a few more weeks remain until school begins.

For those mothers who have six-year-olds beginning school for the first time this September the excitement is beginning to rise—and for mothers with no older children, a little bewilderment accompanies the excitement.

Smart mothers have already had their child fully examined by a physician, as well as a dentist. Also the beginning-school child should have his hearing and eyes checked for any abnormality so that correction or glasses can be accomplished well in advance of school time.

Also, for children just starting school, there is the problem of clothes, adjusting to new friends, discipline and surroundings. A thousand-and-one details crowd in on the parents.

One detail often overlooked until the last minute is the need for a birth certificate for first time students. Most school districts require proof-of-age for beginning students.

Smart mothers send for their certificate copies early to avoid the rush of late August requests which pour into clerks' office as well as the State Health Department's Records and Statistics Section.

Certified copies may usually be obtained from local county clerks and local registrars for a slight fee.

If unable to obtain a copy locally, a request should be made to the State Health Department as early as possible. The State fee, established by law, is one dollar and fifty cents (\$1.50).

Most important aid for speedy service—aside from getting requests in early—is complete and correct information.

Parents should include the

child's name, his place of birth, date of birth, and the parents' name—including the mother's maiden name.

A special corps of summer "searchers" who seek out the proper birth certificate from a special "school" index permits quick even during the burden of late August requests. However, a week to 10 days should be allowed for mailing time and servicing.

When mother gets the certified copy of Johnny's birth record she will have nothing to do but get his clothes ready, have his teeth checked, see about his vaccination record, arrange car pools...

Panhandle Oil Plentiful

There are many areas in Texas where you can see Texas' fabulous oil industry in action. An excellent spot is in the Texas Panhandle.

In the short, 28-mile trip between Pampa and Borger, you'll find most all phases of this huge petroleum industry.

There are hundreds and hundreds of wells, not to mention refineries, carbon black plants and other structures familiar to oil and gas production.

Seeing so many facets of this industry in such a small area enables one to more fully appreciate the great influence and benefit this industry has been to the Lone Star State.

Houston Has Three

There are two good reasons why Houston is the only city west of the Mississippi with three independently-owned newspapers... n a m e - ly The Chronicle, The Post and The Press.

First, Texas enjoys a truly free-enterprise economy where opportunity is unlimited, competition is strong, and the rewards of success can come to any who are willing to work hard.

Second, there just is more to write about in Texas than there is elsewhere.

Let It Not Happen Again

A unique title heads the memorial located some 23 miles northwest of Brownsville on U. S. Highway 281 at the southern tip of Texas.

A grim reminder of history, it serves notice to all Americans to be thankful for our blessings through times of world strife. And warns not to let history repeat itself.

Site is where Capt. Seth Thornton and 62 Dragoons were attacked by Mexican Troops.

The thought provoking title reads: "American Blood was Shed on American Soil."

Don't endorse your social security check until you are ready to cash it.

underwood

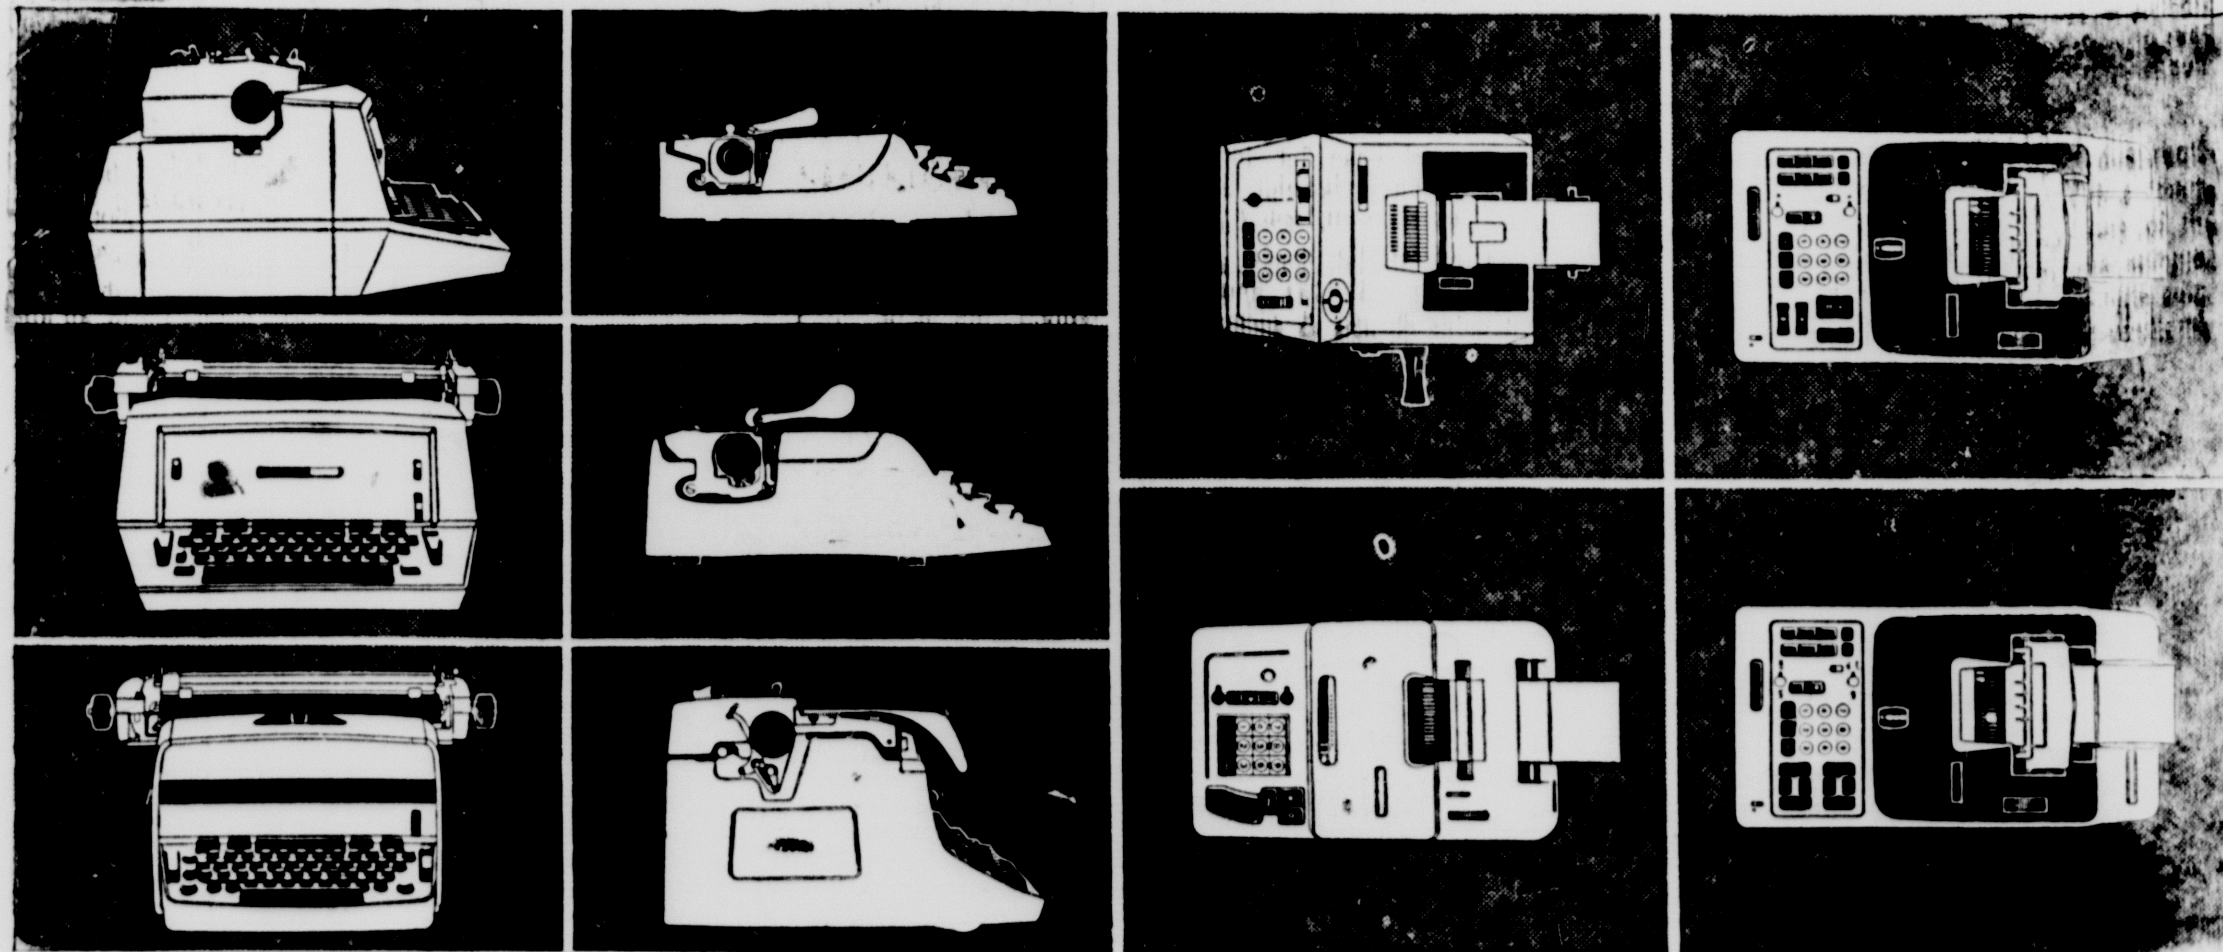

office machines:
the most complete
line ever available
from a single source

The wide range of Underwood standard and electric typewriters, adding machines, calculators, accounting machines and tape-to-card converters is assurance that we are uniquely able to provide the right machine for your specific work.

For example, we have three brilliant new Underwood electric typewriters—each with important, exclusive advantages. But when typing demands don't justify an electric machine, we are able to provide a new Underwood standard typewriter that produces high-quality general-purpose typing at exceptionally low cost.

No matter what your typing or calculating requirements, it's almost certain that one of our Underwood office machines can help reduce your office costs substantially.

For a demonstration of these new Underwood machines—on your own work, in your own office, at your convenience—call us today. We're here to serve you.

underwood RAPHAEL: An electric typewriter with automatic variable spacing and polyethylene carbon ribbon, designed to provide top management with typing of unmatched beauty, dignity and clarity. Operators quickly adjust to the Raphael, and appreciate such features as the ultra-centering scale and reverse tabulation.

underwood FORUM: An electric typewriter with standard spacing and both polyethylene carbon and fabric ribbons, for correspondence demanding typing of distinguished appearance.

underwood SCRIPTOR: A full-size fully-electric typewriter with fabric ribbon and standard spacing, designed to provide office management with general-purpose typing of high quality.

underwood-olivetti LETTERA 22: A super-light-weight portable typewriter with all important big-typewriter features including keyboard tabulation and basket shift; the perfect portable for traveling executives, students and home use.

underwood-olivetti STUDIO 44: A compact standard with all important office-typewriter features including full-size keyboard and keyboard tabulation, and yet easily portable; ideal for the professional office or the home.

underwood TOUCH-MASTER FIVE: A standard typewriter of handsome styling, exceptionally light touch, unusual operating ease and such advanced features as touch tabulation, designed for general-purpose typing of high quality.

underwood-olivetti PRIMA 20: a completely portable (8½ pounds) high capacity (99,999-999,999) 10-key adding machine with direct subtraction, credit balance indicator, column indicator, multiple-cipher keys, printed tape and other features not usually found in so low-priced a machine. Ideal for accountants, traveling auditors, small offices, and home use.

underwood-olivetti ELECTROSUMMA 22: A high-speed, high-capacity 10-key adding machine with automatic credit balance and direct subtraction that offers a number of advantages including column indicator, single, double and triple cipher keys, and automatic dater. The Electrosumma 22 also performs multiplication.

underwood-olivetti DIVISUMMA 24: A high-speed, high-capacity calculator with exclusive "memory" feature that eliminates manual re-entry of intermediate results in combined operations, saving time and eliminating a common source of error. Like all Underwood-Olivetti figure-work machines it prints an easy-to-read tape record of all operations for quick checking and inclusion with work sheets.

underwood-olivetti TETRACTYS: A dual-register version of the Divisumma 24 with a "memory," it performs all the operations of the Divisumma 24 and is able to handle complex combined operations. Its abilities include automatic accumulation of products and percentages.

Q. Why give your favorite student a really fine pen when he'll just lose it?

A. PARKER won't let him lose it. If he does it will be replaced free*

GUARANTEED AGAINST LOSS FOR ONE FULL YEAR!

* (See details inside Parker 45 box.)

Now there's no excuse for not giving students a really fine fountain pen.

And the Parker 45 is just that. Solid 14K gold point that comes in seven widths, extra-fine to broad.

The 45 is "convertible," too. Load it with a cartridge, or slip in an ingenious converter and fill it from an ink bottle. (Great for students who are afraid of running out of ink during a tough exam.)

For only \$5 you get the pen, a giant cartridge, the converter PLUS Parker's loss guarantee. But hurry—the free replacement offer applies only to pens bought before Oct. 31, 1963.

NEW PARKER 45 CONVERTIBLE

1. load it with a cartridge 2. or fill it from an ink bottle

in the bar ditch.

The action came after Commissioner Tom Boyd had halted installation of telephone lines in Precinct 2 after the contractor had refused to sign a bond guaranteeing to pay for any damage done to the roads.

A representative of the telephone company, Judge Leon Thurman said, pointed out that state law gives them the right to install lines along roads.

Commissioners said Monday that contractor in many instances had been going right down the side of the road, about where one wheel of a vehicle would normally run.

Telephone lines are being placed underground along the highway leading to Anson but these are along the fence rows. Commissioner Tom Boyd said much work is being done in Precinct 2 along county roads and it is here that the damage is being done.

Tax Revaluation

A meeting of representatives of most of the taxing units in Jones County will be held soon at which time a representative of McMorris and Co., tax consultants of Amarillo, will explain details of a tax revaluation program. County commissioners Monday authorized Judge Leon Thurman to call the meeting.

A preliminary session was held several weeks ago and much interest was shown in a county-wide program. Only two units—the Avoca School district and the City of Lueders—indicated they were not interested.

No date was set for the meeting. Judge Thurman saying it would be necessary to see what date the Amarillo firm could send a representative.

Should a sufficient number of agencies desire to proceed with the program, bids would be asked to do the work.

cinet employees will be held some Saturday morning soon in order that various insurance programs may be explained. A group insurance plan has been under study for these men for several months.

Under the proposal of the commissioners court, the county would pay 25 per cent of a fixed amount for each employee, with the employee having the option of taking additional coverage if he so desired.

A hearing on the budget for Jones County for the coming year will be held Tuesday, Sept. 3, it was ordered by the commissioners court Monday.

Building Damage

The county courthouse at Anson suffered twice as the result of hailstorms this spring and once through an error on the part of a roofing company.

The first hailstorm did damage to the roof to the extent of \$360. When the roofing company made repairs, employees stopped up a downspout, causing water to accumulate on the roof and eventually soak through the roof, damaging several rooms on the second floor and the county judge's office on the first floor.

This damage amounted to \$710 and the roofing company's insurance company will pay the amount.

Collection on the second hail damage has not been made yet, the judge said.

Surplus Foods

Jones County will ask the state to certify 1500 persons to receive surplus commodities for the coming year. County Judge Leon Thurman Monday pointed out this is 300 less than were certified last year.

The judge explained to the court that this certification figure is used by the state in planning its operation for the year. It is not binding on the county as a minimum or a maximum. "We just pay 36 cents for each person on the roll, plus cost of hauling," he explained.

For the month of July, 1150 persons were on the roll. This number increased to 1270 in August. The high point was in February when the total was almost 2200.

Under regulations governing distribution of surplus commodities, all persons receiving old age assistance are automatically eligible for the food items. In Jones county there are 849 persons.

It was brought out at the meeting Monday that cost to the county runs about \$900 a month for this program.

Hazardous Road

A petition bearing the signatures of 16 residents was presented Jones County Commissioners Court Monday, asking that something be done about a hazardous condition which exists on a county road

south of Avoca near Funston.

A. N. Masters and Frank Rogers presented the petition, explaining that the road detours around a tank and that the turn is so sharp that several accidents have been narrowly averted at the point. The tank is on the farm of T. B. Harrell and, according to members of the court, has been in existence for a number of years—probably before the road.

Commissioner Tom Boyd said he had hauled several loads of rock to place in the road near the tank because seepage from the tank kept the road wet and all but impassable. It was suggested that the road might eventually be made into a farm to market road and the situation would be resolved at that time.

Mr. Rogers and Mr. Masters were told that the commissioners would look at the road Monday afternoon and determine what steps, if any, should be taken.

**Film About 'SAC'
To Open at Rogue
Theatre Sunday**

Airforce duty officers at more than 80 U. S. Strategic Air Command posts throughout the world didn't know it, but not so long ago they talked to Hollywood film star Rock Hudson.

It happened during filming of location scenes at SAC headquarters, Offutt AFB, Omaha, for Universal's "A Gathering of Eagles," opening Sunday at the Rogue Theatre, a story backgrounded against the facilities of the most powerful retaliatory force in military history. Hudson, as a SAC colonel, was explaining the operation for the fabulous underground command post at SAC headquarters to a group of British publishers for a sequence in the film. In order to demonstrate the Red Telephone, an instantaneous communication system that links every SAC base in the world, it was necessary to use the real thing. With SAC's approval, it was arranged for Rock to replace the headquarters communications officer while delivering one of the routine

time checks on the Red Telephone to the 80-odd SAC bases. Thus, the lights establishing contact with each base would go on and off in front of the color camera in real-life fashion.

"Just the thought of picking up a telephone and talking immediately to the entire free world scared me more than anything I can remember," Hudson admitted afterwards. "I've never been that nervous in front of a camera, even when I made my first movie debut."

SAC's underground command headquarters will appear for the first time as a setting for a theatrical motion picture in early scenes for "A Gathering of Eagles" during shots that demonstrate the instant-alert status of SAC, its magnificent Positive Control system to prevent any error that could ignite a nuclear war.

TWO HAMLIN GIRLS ENTERED IN COUNTY QUEEN CONTEST

Two Hamlin school girls, Kay Johnson and Linda Lee Goodwin are among the nominees for queen of the Jones County Fair August 23-24. This year's fair and horse show will be the 5th annual county-wide exposition and will be staged at Anson where a large livestock barn and other facilities were erected some three years ago.

Miss Johnson, sponsored by the Hamlin High Future Farmers of America Chapter, is the chapter's sweetheart. She graduated from HHS last spring and will be a freshman at West Texas State this fall. Her parents are Mr. and Mrs. Lewis Johnson. She is a former Piper Queen nominee and a homecoming queen nominee last year. She was a member of the pep squad, Homemaker

ers of America and the Spanish Club.

Linda Lee, daughter of Mr. and Mrs. W. W. Goodwin, Rt. 1, Hamlin, is sponsored by the Hamlin Friendship Home Demonstration Club. She will be a freshman in Hamlin High this fall where she will be a member of the pep squad. In junior high school she was pianist for the Choral Club the past three years and last year won second place with her vocal solo in the Interscholastic League contest. She has been a piano student of Mrs. L. B. Baker for the past seven years.

The queen candidates will ride in the fair opening parade Friday afternoon, Aug. 23, at 2:30 and will be presented on a fair ground stage that evening at 8:00 for final judging and the coronation ceremony.

FINAL PREPARATIONS BEING MADE FOR JONES COUNTY FAIR

Preparations for the staging of the 5th annual Jones County Fair in Anson are being stepped up with the approach of deadlines for entries in the various divisions. The dates for the exposition and horse show are August 23-24.

Just prior to the deadline livestock entries were running ahead of last year and interest in the expanded horse show was increasing. Entries in both halter and performance classes in the horse division will be accepted up until the events on Saturday, final day of the fair.

With Monday the final day for entering the fair queen contest sponsors had completed entrance requirements for 11 young beauties, it has been announced by Mrs. Stuart Propst of Anson, chairman.

The queen contest finals and coronation will be on a fair ground stage Friday evening at 8:00, Aug. 23. First public appearance of the queen candidates will be in the fair opening parade Friday afternoon at 2:30.

Free Inspection Clinic Offered By Prewit Motors

A free Service Inspection Clinic is planned for today and tomorrow by Prewit Motors, local Chrysler-Plymouth dealers, according to Iene Gene Prewit, owner. The clinic will be staffed by the company's factory trained mechanics and will also have on hand a factory representative to help with the inspections.

Mr. Prewit said that there will be no obligation on the part of the public but he stated that this would be a good time to have your car thoroughly checked and to ask the factory representative any questions about the performance of it.

Little Dandy Snack Barn to Open Soon

Mrs. Langford McCracken is making preparations to open a new eating establishment here to be named the Little Dandy Snack Barn. The business will be open as soon as installation of equipment is completed.

Mrs. McCracken said Tuesday that the snack center would be open as soon as possible and a formal opening celebration is being planned and will be announced later.

Foot-long hot dogs and the "largest hamburger in town" will be the top items on the varied menu. There will be a serving area inside as well as a self service window. A special drive-up window will enable customers to pick up their telephone orders without leaving their car.

Singing Sunday

The Jones and Fisher County Singing will be this Sunday at 2:00 p.m. in the Foursquare Church. Everyone is invited to come and hear the many good singers that are expected.

Vernon Mayfield Gins Area's First Cotton Wednesday

The first bale of cotton in the Hamlin trade territory was brought in at 3:30 p.m. Wednesday by Vernon Mayfield, according to W. W. Fletcher, manager of the Hamlin Farmers Co-op Gin.

The cotton was ginned free and will be purchased by the local gin at a premium price.

Mayfield, who farms six miles east of Hamlin brought in 2,650 pounds which processed 475 pounds of lint and 920 pounds of seed.

The Hamlin Board of Community Development will award Mayfield \$50 for bringing in the first bale.

Annual Junior Golf Tournament Date Set for August 27

The Hamlin Youth Golf Tournament will be held here Tuesday, August 27, beginning at 8 a.m. The tournament is being sponsored by the Hamlin Women's Golf Association and there is a 50c entry fee.

Cold drinks and fried pies will be served.

Trophies will be awarded in the four divisions. The age groups are 10 and under, 11 and 12, 13, 14 and 15, and 16, 17 and 18.

Church of Christ Announces Dates For Gospel Meeting

Dates for the gospel meeting to be held at the Church of Christ were announced this week by Thomas E. Cudd, minister. Abe Lincoln of the Meadowbrook Church of Christ, Fort Worth, will be the speaker.

Services will be held August 25 through August 30 at 10 a.m. and 7:30 p.m. Sunday services will be held at regular time.

Yearbook to Be Issued Monday

The 1963 yearbook will be issued to the 1963 seniors Monday at 8:30-9:00 in the cafeteria.

Other students may pick theirs up when they register next week.

HIGH SCHOOL PRE-ENROLLMENT TO START HERE MONDAY

The following schedule will be followed for pre-enrollment of all high school students for the 1963-64 school year. The school administration urges that students follow this schedule and in the event they are unable to register during this week they may come at any time during the morning of August 26 thru 30.

CLASSIFICATIONS: The following will determine your classification; however, this is based only upon academic subjects. Seniors must have at least 11 credits, Juniors must have at least 7 credits, Sophomores must have at least 3 credits.

Seniors are to register from 9:00 until 11:30 a.m. on Monday August 19.

Juniors are to register from 1:00 until 3:30 p.m. on Monday August 19.

Sophomores are to register from 9:00 a.m. until 11:30 a.m. on Tuesday, August 20.

Freshmen are to register from 1:00 until 3:30 p.m. on Tuesday August 20.

NEW STUDENTS: Those students who have moved into Hamlin and will be attending the Hamlin Public School for the first time (these are high school students) we would like for you to contact us at the school office as soon as possible so that we can write your school for your transcript of your grades.

FEES: Every High School student is assessed a \$1 library fee which is used for the purchase of newspapers, magazines, library books, and teaching aids. This is payable at the time of enrollment of each student.

The students taking Typing I or II will be assessed a fee of \$2.25 per semester or \$4.50.

FARMER TAKES COACHING JOB AT ANDREWS

Edd Farmer, basketball coach here for the past four years, has resigned to accept a coaching position in Andrews. He will be assistant football and basketball coach and will head the tennis program for an annual salary of \$7,290.

He served as Hamlin's head boys' and girls' basketball coach last year and the three years prior to that he was girl's cage coach and football assistant. He came here in 1959 from Clyde where he had been head coach for one year.

Under his guidance the Hamlin girls finished second place in regional the past two years. He also taught algebra and general math in high school.

In Andrews he will be associated with Glenn Frazier, athletic director and head football coach, and will work under Neal Laminack, former Hamlin basketball coach before going to Seminole and then to Andrews.

Farmer and his wife, Harlene, have two children, Eddie, 9, and Vivian, 6. They are members of the First Baptist Church.

He was a former member of the Hamlin Jaycees and Mrs. Farmer was a former member of the Fifty-two Study Club.

Farmer will be in Andrews today (Thursday) to begin the duties of his new position. The family will probably be moving next week.

Farmer said that he was grateful to the town, the school and everyone who helped to make his stay in Hamlin enjoyable.

MRS. BILLIE McILWAIN WINS POLE BENDING EVENT SATURDAY

Mrs. Billie McIlwain was winner of the women's event again Saturday night as she came in first in the pole bending contest with 22.2 time. She was previously the first place winner in the popular women's goat tying event two weeks ago. The event is one of many being held each Saturday evening during August by the Hamlin Riding Club.

Mrs. John Johnson was second with 25.2 seconds and Mrs. T. W. Fleniken was third with 30 seconds flat in the pole bending.

Tommy Johnson won first in the stick horse race with Ricky Crowley and Tom Jameson second and third.

In the barrel racing, Jimmy Dalley won first with 21.9 seconds time, Theresa Gabriel won second with 29 flat and Brit Thompson third with 29.6.

Jimmy Dalley also won first in the poll bending with 21.9 seconds. Jo Lynn Johnson had a 29 flat time and Brit Thompson had a 29.1.

Dalley made it three straight firsts when he won the flag race. Danny Woods, 16.1 and Laquita Long, 19.5 were second and third.

Laquita Long was the only bull rider to stay on her bull. The ribbon racing was won by Billy McIlwain in 14.6 seconds and T. W. Fleniken had 20 flat.

Family night is every Saturday night at 8 at the local arena.

20 YEAR AWARD—T. C. Blankenship of Hamlin is presented the 20 year tenure award of the Vocational Agriculture Teachers Association. The presentation was made by Ralph S. Moser of Stephenville, president of the organization. The specially designed award is in recognition of the dedicated service rendered to Vocational Agriculture.

JAYCEES PLAN MINIATURE GOLF TOURNEY HERE AUGUST 23-24

Plans were made this week for the Hamlin Jaycees' First Annual Miniature Golf Tournament to be played on the club's nine-hole layout in the City Park, August 23-24. It was announced this week by James Wright, club president.

Joe Ford, project chairman, said that the tourney will be operated on the same manner as a regular golf tournament with 16 man flights of match play. Trophies will be awarded to first, second and consolation winners in each of the flights.

The 72-hole tourney will open on Friday night, August 23 with each entrant playing 36 holes. The finals will be played on Saturday night.

Entry fee will be \$2.00 and is open to all ages and for both men and women. The entry fee will entitle the participant to play one 18-hole practice round before the tournament gets underway. Entry fees and qualifying must be in not later than Thursday evening, August 22.

Out of town entries are invited.

The Jaycees' nine-hole course was built last summer and extensive remodeling was done on it this spring.

North Central Church Changes Service Times

A change in time for the evening services of North Central Avenue Baptist Church has been announced by the pastor, Rev. William C. Irwin Jr. The time change will be in effect Sunday.

Training Union has been set at 6 p.m. and the evening worship at 7 p.m.

9 Boys Attending Lueders RA Camp

Nine boys from the First Baptist Church are attending Royal Ambassador Camp at the Baptist Encampment Grounds at Lueders this week. The boys, accompanied by Gene Martinez, pastor of the Mexican Mission here, left Monday afternoon and will return today (Thursday) after lunch. S. L. Tate, R. A. leader, took some of the boys Monday and was there for a time Tuesday. Orin Miller also spent some time at the camp during the week.

The group includes Milbourne Nyeland, Joey Duncan, Darrell Craig, Leroy Kirby, John Hix, Davis Weaver, Dwayne Miller, Gene Stovall and Donovan Colley.

Mr. and Mrs. Mac Fullerton of El Paso are parents of a girl, Kathy, born Sunday morning. She weighed 7 lbs. Her paternal grandmother is Mrs. B. H. Fullerton of Abilene and the maternal grandparents are Mr. and Mrs. Elbert Fomby of Hamlin. The mother is the former Sara Kay Fomby and her husband is a former band director of Hamlin Public Schools.

Mr. and Mrs. C. C. Colhoun of Aspermont are the parents of a baby boy born August 9. He weighed 8 lb. 10 oz. and was named Walter Riley. They have two girls, Mary Ann and Peggy Sue.

The maternal grandmother is Mrs. Sil Bacon of Boswell, Oklahoma.

Mr. and Mrs. Tommy Ellis and children of Stillwater, Oklahoma, are visiting here with Mrs. Ellis's parents, Mr. and Mrs. Bill Rountree. Mr. Ellis is an assistant coach at Oklahoma State University.

SEASON FOOTBALL TICKETS TO GO ON SALE NEXT WEEK

Season football tickets to all of the Pied Piper home games will go on sale at the office of the principal with the people who had season tickets this past year being able to get their tickets for this season between August 21 and August 23. After the 23 the tickets will go on sale to the general public.

There will be six home

games this year and if all of the games bought at one time the price will be \$6.00. The price if bought individually will be \$1.25 per game. The district ruling is that all reserved seats will sell for not less than \$1.00. The same price will be charged for both adult and student reserved seats.

The Pied Pipers will open this year away from home with Rotan and the first home game will be September 13, against Childress.

This year's complete schedule is as follows:

Sept. 6—Rotan, there.
Sept. 13—Childress, here.
Sept. 21—Spur, here, homecoming.

Sept. 27—Cisco, here.
Oct. 4—open.

Oct. 11—Merkel, there.
Oct. 18—Stamford, there.

Oct. 25—Winters, here.
Nov. 1—Ballinger, there.

Nov. 8—Haskell, here.
Nov. 15—Anson, here.

Those who desire the same seats they have had in the past are requested to go by the school office between August 21 and August 23, or call either SP 4-1624 or SP 4-1322 and the school will hold these seats for you.

CITY TENNIS TOURNEY SET AUGUST 26

Dates were announced this week for a City-Wide Tennis Tournament to be sponsored by the Hamlin Jaycees, by James Wright, president. The three night tourney will open August 26 and will include both Ladies' and Men's singles and doubles.

The tourney will be played on the newly lighted high school tennis courts. They were lighted during the summer through the cooperation of the Hamlin City Council, the Hamlin Public Schools and the Hamlin Jaycees. Work on the project was completed this week with the installation of boxes for the coin operated lights.

Entry fees for the matches will be \$2.00 for singles or doubles or \$3.50 for both. Entries must be turned in to Nordie Bayouth, project chairman, by 6 p.m., August 23.

First Baptist Revival to Close Sunday Evening

The revival now in progress at the First Baptist Church with Dr. Clifton Brannon as the evangelist, will feature two other outstanding personalities on Thursday and Saturday evening.

Thursday evening, Col. George Farrar, pilot of a B 52 Bomber, and his co-pilot from Dyess Air Force Base, will speak briefly during the evening worship service which begins at 7:45 p.m. The pastor, Rev. Lenard Hartley said, "He will give his testimony of his relationship to Christ as a Christian and his communion with God as he pilots the world-circling B 52 bomber equipped with atomic warheads."

Saturday evening the worship period will be designated as "family night" when Mrs. Brannon, wife of the evangelist, will be the principal speaker. Mrs. Brannon will give her life's story, entitled, "From Club Woman and Civic Worker to Crusader for Christ." She will relate the test and trials of the transition of a lawyer's home to an evangelist's home. It is an intriguing human interest story.

Evangelist Brannon, as a lawyer, had earned a 28 line biographical sketch in "Who's Who in America." The Brannons have two daughters, both married to Baptist ministers, and a son who is attending Kilgore Junior College.

Services are being held at 9:30 a.m. weekdays and 8 p.m. every evening through Sunday.

S. L. Tate, music education director, is in charge of the music. Special numbers are being presented each evening.

MRS. CLIFTON BRANNON...will speak Saturday evening

County Historical Survey Committee Seeking Graves

The Jones County Historical Survey Committee is searching for the unmarked graves of Civil War Veterans which might be located in Jones County—with the intention of securing the State supplied headstones to mark these graves. Anyone knowing of the location of such unmarked graves are asked to get in touch with Miss Hyberia Grace, of Anson, or Bernard Bue, Stamford.

The Jones County Committee have approved one historical site in the county and are searching for others which might be due recognition. The Jones County Commissioners Court recently voted to locate on the Courthouse Square in Anson a state supplied marker to old Fort Phantom Hill and to the Butterfield Trail which was closed by the Civil War.

Fire Department Answers 4 Calls

Four fire alarms have been answered by the Hamlin Volunteer Fire Department during the past week.

Thursday about 10:30 p.m. J. O. Priddy and son, John, were driving by the L. B. Bruner residence, six miles north east of town, and noticed the house on fire. They stopped and started to cut a hole in the roof to extinguish the fire as Mr. Bruner arrived home. Mr. Bruner went to help but by the time the fire department booster truck arrived the fire had been put out. Damage was minor.

The blaze was believed to have been started from a short in the electrical wiring. Priddy is a member of the Hamlin fire department.

Tuesday morning at 7:50 a.m. the booster truck went out about 10 miles south east of town following a summons for a tractor fire. The firemen were unable to locate a fire.

A grass fire at 1:45 p.m. Thursday, August 8, was reported in the alley of the 600 block of Northeast Ave. A. Another grass fire Tuesday afternoon located one-half mile north of the T. P. Coal and Oil Camp also resulted in no damage.

Snyder Downs Rebels, 21-5.

Mrs. Jerry Pritchard hit a two run home run to put the Rebels ahead of the Snyder Yellowjackets in the second inning 4-0. The Yellowjackets tied it up in the fourth inning with the help of some fielding errors.

Snyder got seventeen runs in the top half of the sixth inning on errors and two back-to-back home runs.

The final score was 21-5.

The Rebels will end their season this Saturday in the Robert Lee tournament. They play Abilene at 1:00 p.m.

Years Ago ...

FIVE YEARS AGO:

Arson has been indicated in several of the more than 50 grass and trash fires of the past two months, it was pointed out this week by James Josey, Hamlin Volunteer Fire Department chief, and city and county officers, who have been called in to make investigations.

Preliminary plans for organizing a Riding Club for Jones County were made Monday evening when about 25 interested men met at the Pied Piper Drive-In to discuss the proposal. The meeting had been called following development of new interest in such an organization in recent weeks.

Work of C. F. Cook Jr., son of Superintendent of Schools and Mrs. C. F. Cook of Hamlin, with electronic microscopes has been attracting considerable attention to releases from the Phillips Electronics Corporation of Oceanport, New Jersey.

Young Cook was pictured with one of the elaborated microscopes on the front cover of the Norelco Reporter.

TEN YEARS AGO:

City water rates are scheduled to be reduced next week, on August 1, when water from the newly completed, Paint Creek Lake east of Stamford is turned into mains at Hamlin. Water use has been restricted for many months because of a scarcity.

Chief Lee Hastings and

City Fire Marshal T. W. (Mickey) McGuire are at College Station this week attending the annual firemen's short course.

FIFTEEN YEARS AGO:

Hamlin housewives this week joined a state-wide movement of strike against high meat prices. Using their phones to contact women of the community and urged them not to buy meat until prices are lowered were Mmes. Jack Russell, John Edwards, Brad Rowland, W. L. Fletcher Jr., Harold Conner, Edward Gardner and Lester Morton.

After more than 38 years in its outmoded quarters, the Hamlin Fire Department is moving this week to new quarters on North Central Avenue, according to Fire Chief T. W. (Mickey) McGuire. Open house is set for Thursday evening in the new quarters.

TWENTY FIVE YEARS AGO

Mr. and Mrs. Jess Young and children left last Thursday for California. Their brother, Wetsel Proctor, lives in that state. They will be in Midway City and Seal Beach, California.

G. C. Collum of Dallas has been named band director for Hamlin High School, and prospects are bright for good band and orchestra the coming year, Collum says.

Another four or five inches of rain fell in the communi-

ty over the week end to further boost crop prospects.

W. H. Murphree left Sunday for Bethany, Oklahoma, where he will spend several weeks.

Mr. and Mrs. J. H. Windell returned to their home at Granite, Oklahoma, after visiting with Mrs. L. H. McBride and family.

Wanda Sebastian returned Sunday from Kermit, where she visited friends. Bernice Allen returned home with her for a visit.

FORTY YEARS AGO:

Plans for Victory Week in the membership campaign of the Texas Farm Bureau Cotton Association in Jones County will be laid at a meeting of the Executive Committee and the entire membership to be held at the Court House in Anson, Saturday, August 4, at 2:00 o'clock.

Mrs. Clyde Wilson and children have returned from a three weeks visit in Corsicana, Dallas and Fort Worth, here they visited relatives and friends.

Misses Ruby Acuff and Lennie Greenway will leave for a fine vacation trip to Galveston, this Saturday.

Speed Limits To Be Raised On August 23

AUSTIN—More than two-thirds of the Texas highway system will come under the new 70-miles-per-hour daytime maximum speed for passenger cars which becomes effective August 23, the Texas Highway Commission revealed today.

Under the speed control law passed by the Legislature this spring, all highways not zoned down by the Commission will automatically go to the new 70 mph speed August 23. This means that some 41,500 miles of the state-maintained highway system will be allowed to come under the higher maximum speed.

The Commission today passed a Minute Order which zoned some 18,640 miles of the highway system at a maximum of 60 miles per hour daytime and 55 miles per hour at night for passenger cars, effective August 23. These highways will be restricted to the lower speed limit because engineering studies indicate they are inadequate to accommodate a 70-mile-per-hour maximum.

The Commission's action followed a series of engineering traffic studies conducted throughout the state by the Highway Department's 25 highway districts.

Precious SIGHT

No price is too high to pay to protect the eyesight of ourselves and our children. Good eyesight is an absolute necessity in the earning of our livelihood, in the school work of our children, and in the enjoyment of all of life.

But there is another type of sight which in these times is often neglected — spiritual sight. We and our children need to be established and grounded in the love of God and His commandments, and to rely on Him. We need to meet His requirement of loving our neighbors as ourselves, thus making a better home life, community life and a better world. Psalms 34:8 reads, "O taste and see that the Lord is good: blessed is the man that trusteth in Him." Attend the church of your choice this Sunday.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

\$27 MILLION

... has been spent recently for commercial construction in our service area.

Recently published figures of industrial expansion in our service area reached a huge \$28 million.

Add to that another vast expansion figure and you have an even more impressive total.

\$27,000,000 was spent on new commercial construction and for expansion of existing businesses in the same time period, in the same WTU service area. This is why we say "The Center of the Southwest" is one of the Nation's fastest growing regions.

Such industrial and commercial expansion, plus civic and other improvements, strengthen our conviction that this region faces growth unlimited.

... more proof that the Center of the Southwest is one of the Nation's fastest growing regions.

FAIRVIEW NEWS

By MRS. ELMER JOINER

Revival services are in progress at the Fairview Church and so far there have been good crowds attending. We are so sorry that our revival and the one at the First Baptist, in Hamlin, will coincide this coming week, for we have friends and former members, that we would love to have come be with us, how ever we had several of them before their revival started.

The members of the church met last Thursday night, in the home of the pastor, Rev. and Mrs. Leverett, for prayer

services and a get together. After the devotional period, the pastor led some games, followed by refreshments. All those attending enjoyed the evening very much.

Midweek prayer services and singing, Wednesday night, had the same number that we had in Sunday School, the week before, which we still think is a record that the larger churches can't reach.

It seems that every week we are reminded how uncertain this life is, when we attend funerals for our friends

and neighbors. This past week it came close to this reporter, when we saw some of our own family lose a dear one. J. E. McCoy Sr. better known as Blackie McCoy, father of J. E. McCoy Jr. Hamlin, passed away in the Sweetwater hospital, Thursday afternoon, after having suffered a heart attack earlier in the day. Mr. McCoy had resided in Sweetwater about 18 years, having been a former resident of Hamlin, before moving to Abilene, prior to moving to Sweetwater.

We also learned of the death of Mr. Monroe Potter of Anson, funeral service were held Friday afternoon. Mrs. Potter will be remembered as the former Mrs. Levi Bush, early residents of our community.

Mrs. W. D. Jones, step-mother of Mel Jones, also passed away and was buried at Hawley Tuesday. Mr. and Mrs. Jones attended church at one time for several years, when they lived here. He passed away some years ago.

Nancy Ford went to Dallas last Sunday, where she spent until Friday, attending a cheer leaders school, at S.M.U. Billy and Randy Jones, grandson of Mr. and Mrs. Mel Jones, were visitors in church Sunday morning. They are the sons of Mr. and Mrs. Bill G. Jones, of Sherman, who with another son, Jimmy are visiting his parents and hers, Mr. and Mrs. J. W. Bowman, of Hamlin, while he is on vacation.

Mrs. Woodrow Goodwin and Linda, and Mrs. Elmer Joiner attended a coffeee in the home of Mrs. Noble Greer, Hamlin, last Friday morning. This was for members of the Friendship H. D. club and as Linda will represent the club at the Queen's contest at the Jones County Fair, she and her mother were guests. Donations were also made to buy some things for the convalescent home soon to be opened in Hamlin.

Mr. and Mrs. Adrian Hile, Abilene, visited with the Goodwins, Friday afternoon.

Rev. and Mrs. Leverett, and little daughters, Kimmie and Kristie, Mr. and Mrs. Jack Wright, Melinda and Keenan, were dinner guests of Mr. and Mrs. Flavel Holmes Sunday.

Mr. and Mrs. E. A. Henry went to Rule last Thursday night and had supper with Mrs. Mary Sue Henry and her daughter, Ann.

Children of Mr. and Mrs. George Wainscott, Mr. and Mrs. David Higgins and two sons, from Abilene, were visitors with them Saturday and until bed time.

Mr. G. W. Wainscott is still at home, his condition remains about the same.

Sunday afternoon, Mr. and Mrs. Fred Rosenbaum went to Anson to visit with Mr. and Mrs. Thomas Moss.

Mr. and Mrs. Joe E. Ford and children, Hamlin, were Sunday afternoon visitors of

his parents, Mr. and Mrs. Joe Ford.

When this is in print our revival will be in the last stages, but if you haven't attended by then, we urge you to come be with us in the closing services.

Canceled checks are one of the best proofs you can have for income tax deductions.

PUBLIC NOTICE

PROPOSED CONSTITUTIONAL AMENDMENT NO. 10 BEING VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 3, 1953.

SENATE JOINT RESOLUTION NO. 16 proposing an amendment to Section 49-b, Article III of the Constitution of Texas to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to three hundred fifty million dollars (\$350,000,000.00); providing for the issuance of said bonds or obligations, and the conditions relating to the use of the Veterans' Land Fund; and providing for an extension of the term of the Veterans' Land Board from five to seven years.

WE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas be amended so the same will hereafter read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all laws enacted prior to the date of the adoption of this Constitutional Amendment except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finance. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or died member had been appointed. The compensation for said citizen members shall be as now or may hereafter be fixed by the Legislature, but shall not be made bond in such amount as is now or may hereafter be prescribed by the Legislature.

Proposed CONSTITUTIONAL AMENDMENT NUMBER FOUR ON THE BALLOT

chances, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds.

"Said Veterans' Land Board shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price thereof, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board, which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds, the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds, the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to such bonds, the interest and penalties received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for such bonds; or for the failure of any bidder for the purchase of any lands comprising a part of said Fund to comply with his bid and accept and pay for any such lands; and the moneys received from investments of any such moneys. The principal and interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the moneys of said Fund in accordance with the Constitutional provisions authorizing such bonds, but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes herein provided shall be part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all of the bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund thereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased thereunder) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of said Division for the purpose of retiring all such bonds, may be used for the purpose of paying the

principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands so purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as purchasers of lands of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to Texas veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of an active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940 and March 31, 1945, and who upon the date of filing his or her application to purchase any such land is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces aforementioned and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds heretofore issued and sold by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board, for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds, and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

"All moneys attributable to the bonds issued and sold pursuant to the Constitutional Amendment adopted on November 6, 1952, shall be credited to said Veterans' Land Fund and may be used for the purpose of purchasing additional lands, to be sold as provided herein, until December 1, 1965, provided, however, that so much of such moneys as may be necessary to pay interest on such bonds shall be set aside for that purpose. After December 1, 1965, all moneys attributable to such bonds shall be set aside for the retirement of such bonds and to pay interest thereon; and when there are sufficient moneys to retire all of such

bonds, all of such moneys then remaining shall be available for the retirement of said Veterans' Land Fund shall be governed as elsewhere provided herein.

"All of the moneys attributable to any series of bonds heretofore issued and sold by said Board in a series of bonds being all of the bonds issued and sold in a single transaction as a single installment of bonds, may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending seven (7) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds heretofore issued and sold shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds heretofore issued and sold to pay interest thereon, together with any expenses as provided herein. In the event of the expiration of this period, all moneys then remaining in the Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reserved to the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to designate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it deems necessary.

"Should the Legislature enact any enabling law in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption."

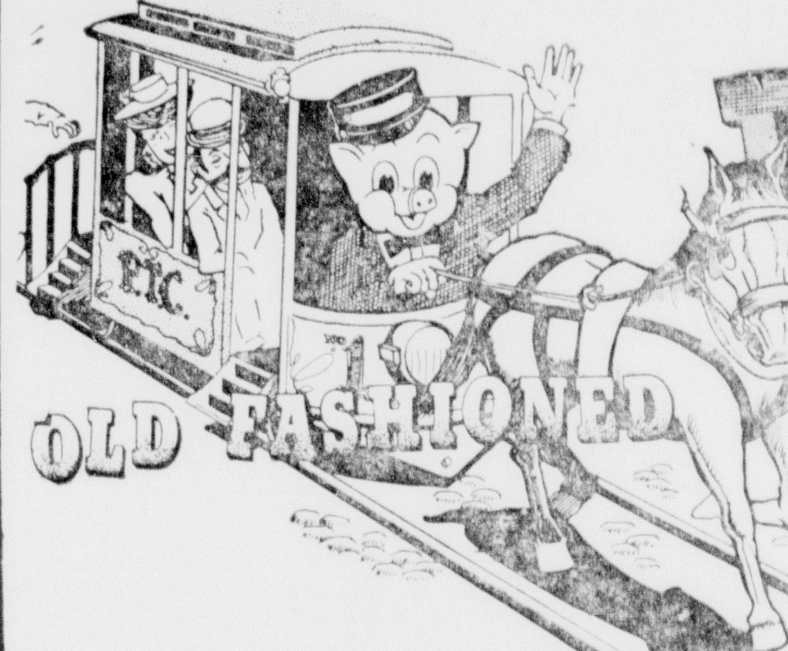

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Saturday after the first Monday in November, 1954, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$100,000,000.00; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940 and March 31, 1945; such funds to be expended in accordance with instructions and requirements that may be provided by law"; and

"AGAINST the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$100,000,000.00; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940 and March 31, 1945; such funds to be expended in accordance with instructions and requirements that may be provided by law."

If it appears from the returns of said election that a majority of the votes cast were in favor of same, the Amendment, if submitted, shall become a part of the State Constitution and be effective from the date set forth in said Amendment, and the Governor shall issue a proclamation in keeping therewith.

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall file the same published as required by the Constitution and Laws of this state.

MOTORISTS WARNED TO USE CAUTION WITH NEW SPEED LAW

AUSTIN—The director of the Texas Department of Public Safety warned motorists today "not to take the new higher speed limit to literally" when they go into effect August 23.

Col. Homer Garrison Jr. reminded that "there are a multitude of circumstances and situations under which the old limits were too fast for safety."

"With more than two-thirds of the Texas highway system under a 70-mile-per-hour day-time maximum speed for passenger cars and 65 miles per hour at night, we wish to appeal to all Texans to exercise keen judgment and drive reasonable and prudently regardless of what the signs say. The law prohibits driving a vehicle too fast for existing conditions."

"The Department of Public Safety believes that the objective of speed legislation is to contribute to the efficient movement of traffic on the highways. We feel the new law will help accomplish this, and

our objective of enforcement is to secure substantial compliance with the speed law by all users of the rural highways. The prima facie speed limit fixed by the Legislature or established by zoning authority will be constructed to the maximum permissible speeds under normal conditions, and speeds in excess of such limits will be considered illegal.

"Our enforcement personnel will stop and invite appropriate enforcement action against all persons observed by them to be committing clear-cut and substantial violations of the speed law."

Garrison urged motorists to be particularly cautious in assuming the higher night speed limit of 65 miles per hour. He said research by the U. S. Bureau of Public Roads shows that increasing night speeds from 55 MPH to 70 MPH doubles the accident involvement rate, and that the severity of accidents increases rapidly at speeds over 70 MPH.

"We repeat that serious problems may develop with the new speed laws unless the driving public accepts and applies them with a high degree of responsibility to themselves and their families and others," he said.

"And we would like to emphasize at this time that traffic deaths are running far ahead of last year already, with an increase of about 100 deaths. Unless we can hold the line against this trend, we will wind up with an all-time high traffic death toll in 1963."

The "Great Fire of London" was in 1666.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN—Texas Youth Council's parole division will triple in the next six months or so. But the problem of trying to help "reform school" graduates become useful citizens is still great.

Until September 1, five state parole officers are responsible for some 1,800 juvenile parolees spread over 169 counties. That's a ratio of one parole officer to about 367 parolees, compared to national standards of one officer to 40 parolees.

Staff will increase to 16 on September 1—a ratio of one to 178. On March 1, 1964, when five more will be down to one parole officer to 119 parolees, spread over the Lone Star State.

Biggest number of parolees is centered in big cities where the general rate of crime is always higher. More than a third of the parole children are in Dallas, Harris and Bexar counties; another 288 in El Paso, Jefferson, Tarrant and Travis counties.

About 154 are in Nueces, McLennan, Bell and Lubbock counties.

But sizable juvenile parole populations are centered in smaller counties, such as Cameron, Grayson, Brazoria, Ector, Galveston, Gregg, Hale, Hidalgo, Howard, Hunt, Midland, Navarro, Potter, San Patricio, Smith, Taylor, Wichita and Williamson.

Some counties have only one parole child. But the state is responsible for every one it has "retrained."

FIRST AID—State Regulatory Loan Commissioner Frank Miskel appointed Robert C. Duke, Houston attorney, as Deputy Commissioner and General Counsel of the new state agency.

Duke formerly served as acting Securities Commissioner in the Secretary of State's securities division. Regulatory bill takes effect on August 23. Some 2,000 loan companies operating in Texas will have to file for state licenses at that time.

INSURANCE HEARING—A State Insurance Board hearing on proposed rules for regulating credit insurance—which pays off a man's debt if he dies or makes the payments when he is disabled—drew a big crowd.

One controversial point was a ceiling rate of 90 cents per \$100 of insurance.

Some insurance company executives insisted the ceiling should be no more than 60 or 65 cents per \$100. But one spokesman thought the 90-cent per \$100 rate was too low and recommended \$1.

Some loan companies said they now give credit insurance free. They feared the proposed rules might outlaw this practice.

A second hearing with new proposed rules will be aired on September 10.

MONEY MEN—The Legis-

lative Budget Board, lawmakers who make the Legislature's financial decisions between sessions, recommended \$4,644,000 worth of state building to Gov. John Connally.

Plans approved included one by the State Hospitals Board to equip a genetics lab and follow-up clinic on mental retardation in the State Psychiatric Institute of Houston; new dormitories for Gatesville School for Boys, Gainesville School for Girls and Crockett School for Negro Girls; and several prison system units.

Authorization was recommended for \$25,000 worth of partitioning to provide 23 new offices in Atty. Gen. Waggoner Carr's department.

But the board balked at Texas A&M University's request to spend some \$100,000 on a home exclusive of land and furnishings for A & M President Earl Rudder, to replace the one destroyed by fire. A compromise recommendation of about \$4,000 for a 4,500 square-foot home was the outcome.

SCHOOL LAND BOARD—Land Commissioner Jerry Sadler, Governor Connally and Atty. Gen. Waggoner Carr, members of the State School Land Board, make and revise leases on public school lands, including river beds, bays and inlets of the Gulf of Mexico.

Attorney General requested that he be removed from the land board. After August 23 he will be replaced by a private citizen of his choosing.

Before Carr leaves the board he will sign the deed which conveys state-owned land on Padre Island to the federal government for a natural seashore.

SHORT SNORTS—Rep. Sam F. Collins of Newton asked to be allowed to serve as a state representative without pay, when he accepted a job as assistant to General Manager John W. Simmons of the Sabine River Authority.

The State General Revenue Fund finished with \$19,500,000 in the black.

Comanche Reunion

The 14th annual Comanche County reunion will be held in Machenzie Park in Lubbock Sunday, August 25. The basket lunch will be served at 1 p.m.

New officers will be elected. Singing will be in the afternoon. Everyone is invited.

1964 FEED GRAIN PROGRAM PROVISIONS ARE ANNOUNCED

Major provisions of the 1964 Feed Grain Program have been announced by the U. S. Department of Agriculture and basically will be the same as in 1963.

The major change is an increase in the top limit on diversion from a farm's base acreage with an increase in the rate of payment for maximum diversion. This, the USDA said, is intended to encourage producers to divert additional feed grain acres and to increase their income.

Under the 1964 program a producer may divert as much as 50 per cent of his feed grain base acreage compared with a top of 40 per cent in 1963. Those who divert from 40 to 50 per cent will receive diversion payments at the maximum rate for all acres diverted. As before, the maximum acreage diversion will be 25 acres if this is more than 50 per cent of the base.

Producers who divert at least 20 per cent of their feed grain base will be eligible for payments computed by multiplying the number of acres diverted times 20 per cent of the normal yield times the county total price control rate for the grain diverted. For acres diverted between 20 and 40 per cent of the base, payments will be based on 50 per cent of the normal yield times the county support rate. A

diversion from the base between 40 and 50 per cent (or 25 acres if this is larger) will earn payments for the producer of 50 per cent times the normal yield times the total county support rate. Payments may not exceed 20 per cent of the value of the land diverted.

The total national average price-support levels in 1964 will be the same as in 1963, but slightly larger proportion of the support will be made available through loans. Payments-in-kind for both diversion and the non-loan part of price support will again be made in the form of negotiable certificates. The signup period for both fall and spring sown crops is expected to be early in 1964.

NOSEY NEIGHBOR...

O. L. Cohorn and brother, Mr. and Mrs. Ewell King and Mrs. R. M. Grubs attended an all day singing at Butan Sunday. It was voted that this singing will be held annually.

Mr. and Mrs. E. N. Jenkins and mother, Mrs. O. L. Jenkins of Hamlin and Rev. John C. Jenkins, pastor of the First Baptist Church of Spur attended the funeral of Blackie McCoy Saturday in Sweetwater.

Visiting in the home of Mrs. E. E. Mayfield for a family reunion were Mr. and Mrs. J. W. Mayfield Jr. and four sons of Bastrop; Mr. and Mrs. Cliff Butler and Doug of Hamlin; Mr. and Mrs. Earl Sampson and family of Fort Worth; Mr. and Mrs. Ed Mayfield and two sons of Aspermont; Mr. and Mrs. James Earl Mayfield and family of Anson and Mr. and

Mrs. Lee Risler Jr. and children of Torrance, California. Other guests were Mr. and Mrs. K. A. Goza and Mrs. Annie Hufer of Anson.

Fourteen of Mrs. Mayfield's seventeen grandchildren and six great grandchildren were present.

Mr. and Mrs. A. J. Winegeart and Zoon went to Vernon last week for the annual Winegeart Reunion.

Visiting with Mr. and Mrs. Jerry Williams after the Wilmon reunion were Mr. and Mrs. John Mac Wilemon, Carrie Jane, Guy and Lane of Roswell, New Mexico; Mr. and Mrs. Leon Lepard and sons of Brownfield; Mrs. Doyle Wilemon of Midland; Mr. and Mrs. Jack Williams; Mr. and Mrs. Roy Williams, Jack, Mignon, Soja and Mickey Don and Mr. and Mrs. Donley Williams. Laterese and Jackie Don. Also attending the reunion was Mr. and Mrs. J. R. Brown Sr.

Mr. and Mrs. C. L. Howard an family vacationed in Galveston last week.

Mr. and Mrs. E. A. Lawlis visited their son, Ray Lawlis of Kermit and Steve and Kenneth Lawlis of Brownfield.

Visiting in the home of their father, Roscoe Greenway, were Mr. and Mrs. Gordon Knight and Geoff of Austin; Mr. and Mrs. Dalbert Barron and Bert, Royce and Eddy of Borger and Mr. and Mrs. Guy Greenway and Mary Iorna of Newcastle, Wyoming.

Mr. and Mrs. Braz Rodgers and Clara Ann Davidson of Harrison, Arkansas, visited in the home of Mr. and Mrs. Joe Fleckenstein last week. Other visitors were her mother, Mrs. Jim Hale of Harrison, Arkansas, and Mr. and Mrs. Jew Freeman and Judy of Denver City.

Mr. and Mrs. Bob Craig attended the three day meeting of the West Texas Press Association held in Abilene last week.

week. Craig, publisher of the Hamlin Herald, is a director of the organization.

Beth, Darrell and Ricky Craig visited with the Bud Bradberry family in Anson Saturday.

Stamford Men Win Duplicate Bridge

John Reese and Wade Watts of Stamford won first at the Hamlin Duplicate Bridge Club Meeting Tuesday night. Mr. and Mrs. Grady Bowdry of Stamford tied with Mrs. Billy Joe Wilson and Harvey Elkins for second. Mr. and Mrs. Harry Yates won third.

The next meeting will be in the Oil Mill Guest House Tuesday night at 7:30.

Internal Revenue will furnish employers a free copy of "Employers Tax Guide" covering social security and income tax withholding.

Wedding Vows Exchanged in Garden Ceremony

A garden wedding at the home of Mr. and Mrs. Langford McCracken was the scene for the marriage of their daughter, DeNetta Moody, and Julius Decker of McCauley. The bridegroom is the son of Mr. and Mrs. Martin Decker of McCauley.

Rev. James Woods, pastor of Central Baptist Church of Aspermont, was officiating minister. Given in marriage by her father, the bride wore a street length of mint green tulle designed with fitted bodice, brief jacket and full skirt. She carried white carnations atop a white Bible.

Londa Cavitt was maid of honor. She wore a white sheath dress with mint green accessories and a corsage of white carnations.

Howard Kean of Abilene was best man. The reception followed in the home of the bride's parents.

The bride is a 1961 graduate of Hamlin High School. Decker was graduated from McCauley High School and served several years in the Navy. He was discharged in April.

After a brief wedding trip, the couple will be at home in Snady Groves.

IS YOUR VISION UP TO PAR?

Just as other parts of your body, your eyes and vision should be examined regularly. Neglect is often costly.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 5, 1963.

SENATE JOINT RESOLUTION NO. 21 proposing an Amendment to the Constitution of the State of Texas, amending Sections 51-a and 51-b of Article III so that the same shall consist of one Section to be known as Section 51-a; providing that the Legislature shall have the power to provide assistance to and provide for the payment of same to (1) citizens of Texas who are needy aged persons over the age of sixty-five (65) years; (2) needy persons who are at least eighteen (18) years of age and less than sixty-five (65) years of age who are permanently and totally disabled; (3) needy blind persons over the age of twenty-one (21) years; and (4) needy children under the age of sixteen (16) years; authorizing the Legislature to set up residence requirements for eligibility for such assistance; repealing the Constitutional limit on the amount paid out of state funds to individual recipients of Old Age Assistance and Aid to the Permanently and Totally Disabled; providing that the amounts for such assistance payments shall not exceed the amounts that are available out of federal funds for such purposes; providing that the amounts expended out of state funds for such purposes shall not exceed Sixty Million Dollars (\$60,000,000); providing for the acceptance of financial aid from the Government of the United States; providing for the necessary election form of ballot, proclamation, and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Sections 51-a and 51-b of Article III of the Constitution of the State of Texas be amended, and the same are hereby amended, so that the same shall hereafter consist of one Section to be known as Section 51-a of Article III, which shall read as follows:

"Section 51-a. The Legislature shall have the power, by General Laws, to provide, subject to limitations and restrictions hereinafter set forth, assistance to and for the payment of assistance to:

"(1) Needy aged persons who are actual bona fide citizens of Texas, and who are over the age of sixty-five (65) years; provided that no such assistance shall be paid to any inmate of any state-supported institution, while such inmate; provided that the Legislature shall prescribe the residence requirements for eligibility; provided that the maximum amount paid out of state funds to any individual recipient shall not exceed the amount that is available out of federal funds; and provided further, that the total amount of such assistance payments out of state funds on behalf of such recipients shall not exceed the amount that is available out of federal funds.

"(2) Needy individuals, who are citizens of the United States, who shall have passed their eighteenth (18th) birthday but have not passed their sixty-fifth (65th) birthday, who are totally and permanently disabled by reason of a mental or physical handicap or a combination of physical and mental handicaps and not feasible for vocational rehabilitation; provided that the Legislature shall prescribe the residence requirements for eligibility; provided further, that no individual shall receive assistance under this program for the permanently and totally disabled during any period when he is receiving support from a state-supported institution; provided that the maximum amount paid out of state funds to any individual recipient shall not exceed the amount that is available out of federal funds; and provided further, that the total amount of such assistance payments out of state funds on behalf of such recipients shall not exceed the amount that is available out of federal funds.

"(3) Needy blind persons who are actual bona fide citizens of Texas and are over the age of twenty-one (21) years; provided that no such

assistance shall be paid to any inmate of any state-supported institution, while such inmate; provided that the Legislature shall prescribe the residence requirements for eligibility; provided that the maximum amount paid out of state funds to any individual recipient shall not exceed the amount that is available out of federal funds; and provided further, that the total amount of such assistance payments out of state funds on behalf of such recipients shall not exceed the amount that is available out of federal funds.

"(4) Needy children who are actual bona fide citizens of Texas, and are under the age of sixteen (16) years; provided that the Legislature shall prescribe the residence requirements for eligibility; provided that the maximum amount paid out of state funds to any individual recipient shall not exceed the amount that is available out of federal funds; and provided further, that the total amount of such assistance payments out of state funds on behalf of such recipients shall not exceed the amount that is available out of federal funds.

"The Legislature shall have the authority to accept from the Government of the United States such financial aid for such assistance as such Government may offer not inconsistent with the restrictions herein set forth; provided however, that the amount of such assistance out of state funds to any person shall never exceed the amount available out of federal funds; and provided further, that the total amount of money to be expended each year out of state funds for such assistance shall never exceed Sixty Million Dollars (\$60,000,000)."

"The Legislature may enact appropriate laws to make the Government of the United States available for inspection under such limitations and restrictions as may be deemed appropriate by the Legislature."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the state of Texas to be held on the first Saturday after the first Monday in November, 1963, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing for assistance payments to the (1) needy aged; (2) needy individuals who are permanently and totally disabled; (3) needy blind; and (4) needy children; authorizing the Legislature to set up residence requirements for eligibility; authorizing the Legislature to make appropriations out of state funds for the purpose of paying such assistance grants; providing that the amounts expended out of state funds shall not exceed the amounts that are available out of federal funds; and providing further, that the total amount of such assistance payments shall never exceed Sixty Million Dollars (\$60,000,000)."

"AGAINST the Constitutional Amendment providing for assistance payments to the (1) needy aged; (2) needy individuals who are permanently and totally disabled; (3) needy blind; and (4) needy children; authorizing the Legislature to set up residence requirements for eligibility; authorizing the Legislature to make appropriations out of state funds for the purpose of paying such assistance grants; providing that the amounts expended out of state funds shall not exceed the amounts that are available out of federal funds; and providing further, that the total amount of such assistance payments shall never exceed Sixty Million Dollars (\$60,000,000)."

Sec. 3. The Governor of Texas shall issue the necessary Proclamation for the election and this Amendment shall be published in the manner and for the length of time required by the Constitution and laws of this state.

BIRTH CERTIFICATE NEEDED FOR STARTING STUDENT

AUSTIN—About this time each year, thousands of Texas mothers suddenly realize that only a few more weeks remain until school begins.

For those mothers who have six-year-olds beginning school for the first time this September the excitement is beginning to rise—and for mothers with no older children, a little bewilderment accompanies the excitement.

Smart mothers have already had their child fully examined by a physician, as well as a dentist. Also the beginning-school child should have his hearing and eyes checked for any abnormality so that correction or glasses can be accomplished well in advance of school time.

Also, for children just starting school, there is the problem of clothes, adjusting to new friends, discipline and surroundings. A thousand-and-one details crowd in on the parents.

One detail often overlooked until the last minute is the need for a birth certificate for first time students. Most school districts require proof-of-age for beginning students.

Smart mothers send for their certificate copies early to avoid the rush of late August requests which pour into clerks' office as well as the State Health Department's Records and Statistics Section.

Certified copies may usually be obtained from local county clerks and local registrars for a slight fee.

If unable to obtain a copy locally, a request should be made to the State Health Department as early as possible. The State fee, established by law, is one dollar and fifty cents (\$1.50).

Most important aid for speedy service—aside from getting requests in early—is complete and correct information.

Parents should include the

child's name, his place of birth, date of birth, and the parents' name—including the mother's maiden name.

A special corps of summer "searchers" who seek out the proper birth certificate from a special "school" index permits quick even during the burden of late August requests. However, a week to 10 days should be allowed for mailing time and servicing.

When mother gets the certified copy of Johnny's birth record she will have nothing to do but get his clothes ready, have his teeth checked, see about his vaccination record, arrange car pool, . . .

Panhandle Oil Plentiful

There are many areas in Texas where you can see Texas' fabulous oil industry in action. An excellent spot is in the Texas Panhandle.

In the short, 28-mile trip between Pampa and Borger, you'll find most all phases of this huge petroleum industry.

There are hundreds and hundreds of wells, not to mention refineries, carbon black plants and other structures familiar to oil and gas production.

Seeing so many facets of this industry in such a small area enables one to more fully appreciate the great influence and benefit this industry has been to the Lone Star State.

Houston Has Three

There are two good reasons why Houston is the only city west of the Mississippi with three independently-owned newspapers . . . n a m e . . . ly The Chronicle, The Post and The Press.

First, Texas enjoys a truly free-enterprise economy where opportunity is unlimited, competition is strong, and the rewards of success can come to any who are willing to work hard.

Second, there just is more to write about in Texas than there is elsewhere.

Let It Not Happen Again

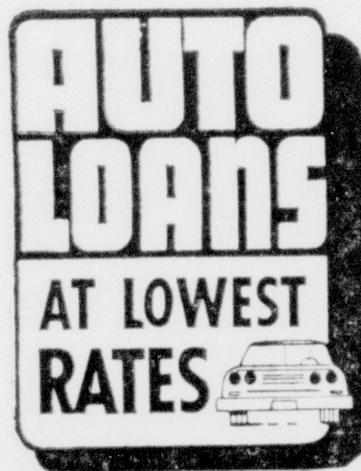

A unique title heads the memorial located some 23 miles northwest of Brownsville on U. S. Highway 281 at the southern tip of Texas.

A grim reminder of history, it serves notice to all Americans to be thankful for our blessings through times of world strife. And warns not to let history repeat itself.

Site is where Capt. Seth Thornton and 62 Dragoons were attacked by Mexican Troops.

The thought provoking title reads: "American Blood Was Shed on American Soil."

Don't endorse your social security check until you are ready to cash it.

National Bank
Hamlin, Texas

Q. Why give your favorite student a really fine pen when he'll just lose it?

A. PARKER won't let him lose it. If he does it will be replaced free*.

GUARANTEED AGAINST LOSS FOR ONE FULL YEAR!

*(See details inside Parker 45 box.)

Now there's no excuse for not giving students a really fine fountain pen.

And the Parker 45 is just that. Solid 14K gold point that comes in seven widths, extra-fine to broad.

The 45 is "convertible," too. Load it with a cartridge, or slip in an ingenious converter and fill it from an ink bottle. (Great for students who are afraid of running out of ink during a tough exam.)

For only \$5 you get the pen, a giant cartridge, the converter PLUS Parker's loss guarantee. But hurry—the free replacement offer applies only to pens bought before Oct. 31, 1963.

NEW PARKER 45 CONVERTIBLE

1. Load it with a cartridge 2. or fill it from an ink bottle

underwood

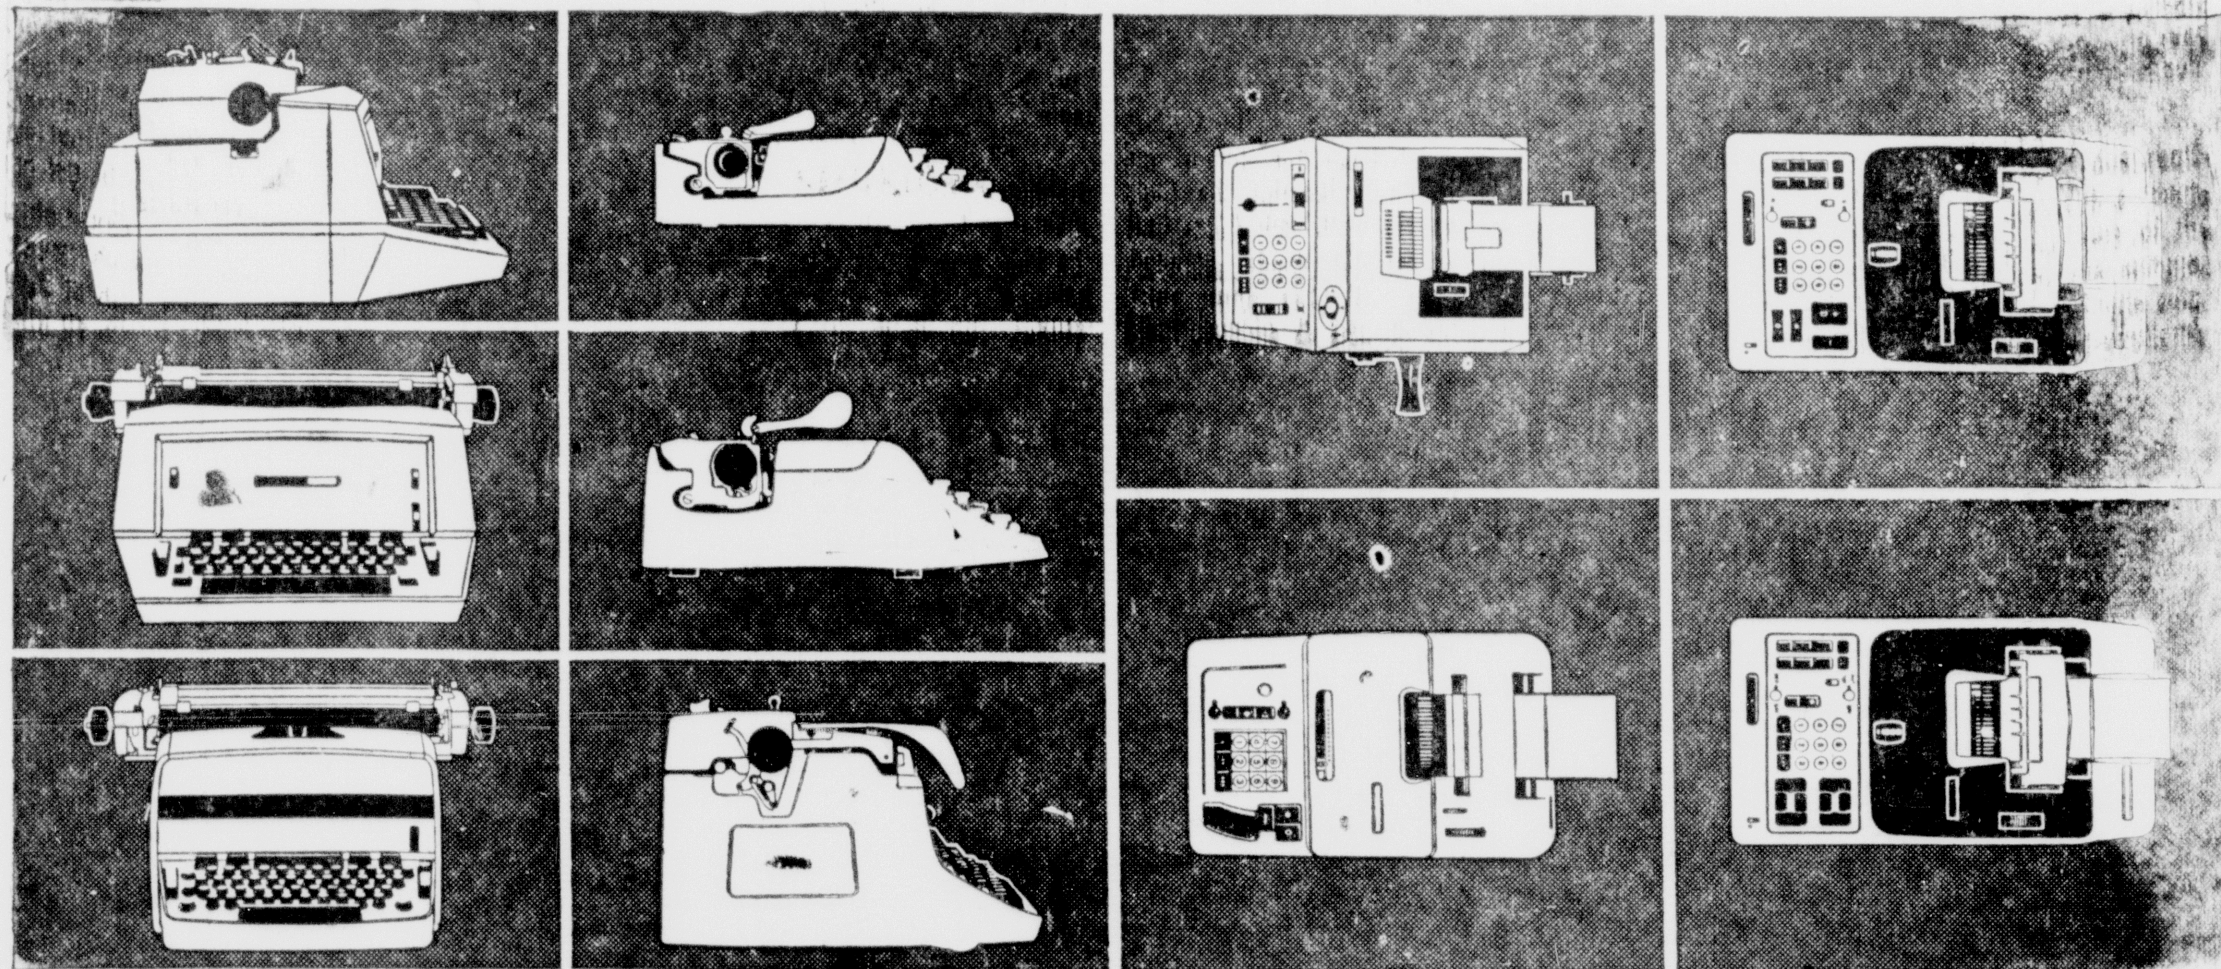

office machines:
the most complete
line ever available
from a single source

The wide range of Underwood standard and electric typewriters, adding machines, calculators, accounting machines and tape-to-card converters is assurance that we are uniquely able to provide the right machine for your specific work.

For example, we have three brilliant new Underwood electric typewriters—each with important, exclusive advantages. But when typing demands don't justify an electric machine, we are able to provide a new Underwood standard typewriter that produces high-quality general-purpose typing at exceptionally low cost.

No matter what your typing or calculating requirements, it's almost certain that one of our Underwood office machines can help reduce your office costs substantially.

For a demonstration of these new Underwood machines—on your own work, in your own office, at your convenience—call us today. We're here to serve you.

underwood RAPHAEL: An electric typewriter with automatic variable spacing and polyethylene carbon ribbon, designed to provide top management with typing of unmatched beauty, dignity and clarity. Operators quickly adjust to the Raphael, and appreciate such features as the title-centering scale and reverse tabulation.

underwood FORUM: An electric typewriter with standard spacing and both polyethylene carbon and fabric ribbons, for correspondence demanding typing of distinguished appearance.

underwood SCRIPTOR: A full-size fully-electric typewriter with fabric ribbon and standard spacing, designed to provide office management with general-purpose typing of high quality.

underwood-olivetti LETTERA 22: A super-light-weight portable typewriter with all important big-typewriter features including keyboard tabulation and basket shift; the perfect portable for traveling executives, students and home use.

underwood-olivetti STUDIO 44: A compact standard with all important office-typewriter features including full-size keyboard and keyboard tabulation, and yet easily portable; ideal for the professional office or the home.

underwood TOUCH-MASTER FIVE: A standard typewriter of handsome styling, exceptionally light touch, unusual operating ease and such advanced features as touch tabulation, designed for general-purpose typing of high quality.

underwood-olivetti PRIMA 20: A completely portable (8½ pounds) high capacity (99,999-999,999) 10-key adding machine with direct subtraction, credit balance indicator, column indicator, multiple-cipher keys, printed tape and other features not usually found in so low-priced a machine. Ideal for accountants, traveling auditors, small offices, and home use.

underwood-olivetti ELECTROSUMMA 22: A high-speed, high-capacity 10-key adding machine with automatic credit balance and direct subtraction that offers a number of advantages including column indicator, single, double and triple cipher keys, and automatic dater. The Electrosumma 22 also performs multiplication.

underwood-olivetti DIVISUMMA 20: A high-speed, high-capacity calculator with exclusive "memory" feature that eliminates manual entry of intermediate results in combined operations, saving time and eliminating a common source of error. Like all Underwood-Olivetti figure-work machines it prints an easy-to-read tape record of all operations for quick checking and inclusion with work sheets.

underwood-olivetti TETRACTYS: A dual-register version of the Divisumma 24 with a "memory," it performs all the operations of the Divisumma 24 and is able to handle complex combined operations. Its abilities include automatic accumulation of products and quotients.

COUNTY COMMISSIONERS COURT HAS BUSY SESSION MONDAY

Utility Lines

Jones County Commissioners Court Monday passed an order prohibiting the laying of utility lines on all weather roads in the county. The lines must be laid alongside the road

in the bar ditch.

The action came after Commissioner Tom Boyd had halted installation of telephone lines in Precinct 2 after the contractor had refused to sign a bond guaranteeing to pay for any damage done to the roads.

A representative of the telephone company, Judge Leon Thurman said, pointed out that state law gives them the right to install lines along roads. Commissioners said Monday that contractor in many instances had been going right down the side of the road, about where one wheel of a vehicle would normally run.

"It costs from \$400 to \$500 a mile to build a gravel or eschiche road and when they dig a ditch down one side of it, the road is ruined. We have to scarify the whole road to repair the damage," one commissioner said.

Telephone lines are being placed underground along the highway leading to Anson but these are along the fence rows. Commissioner Tom Boyd said much work is being done in Precinct 2 along county roads and it is here that the damage is being done.

Tax Revaluation

A meeting of representatives of most of the taxing units in Jones County will be held soon at which time a representative of McMorris and Co., tax consultants of Amarillo, will explain details of a tax revaluation program. County commissioners Monday authorized Judge Leon Thurman to call the meeting.

A preliminary session was held several weeks ago and much interest was shown in a county-wide program. Only two units—the Avoca School district and the City of Lueders—indicated they were not interested.

No date was set for the meeting, Judge Thurman saying it would be necessary to see what date the Amarillo firm could send a representative.

Should a sufficient number of agencies desire to proceed with the program, bids would be asked to do the work.

Group Insurance

A meeting of all county pre-

dict employees will be held some Saturday morning soon in order that various insurance programs may be explained. A group insurance plan has been under study for these men for several months.

Under the proposal of the commissioners court, the county would pay 25 per cent of a fixed amount for each employee, with the employee having the option of taking additional coverage if he so desired.

A hearing on the budget for Jones County for the coming year will be held Tuesday, Sept. 3, it was ordered by the commissioners court Monday.

Building Damage

The county courthouse at Anson suffered twice as the result of hailstorms this spring and once through an error on the part of a roofing company, it was reported by County Judge Leon Thurman Monday.

The first hailstorm did damage to the roof to the extent of \$360. When the roofing company made repairs, employees stopped up a downspout, causing water to accumulate on the roof and eventually soak through the roof, damaging several rooms on the second floor and the county judge's office on the first floor. This damage amounted to \$710 and the roofing company's insurance company will pay the amount.

Collection on the second hail damage has not been made yet, the judge said.

Surplus Foods

Jones County will ask the state to certify 1500 persons to receive surplus commodities for the coming year. County Judge Leon Thurman Monday pointed out this is 300 less than were certified last year.

The judge explained to the court that this certification figure is used by the state in planning its operation for the year. It is not binding on the county as a minimum or a maximum. "We just pay 36 cents for each person on the roll, plus cost of hauling," he explained.

For the month of July, 1150 persons were on the roll. This number increased to 1270 in August. The high point was in February when the total was almost 2200.

Under regulations governing distribution of surplus commodities, all persons receiving old age assistance are automatically eligible for the food items. In Jones county there are 849 such persons.

It was brought out at the meeting Monday that cost to the county runs about \$900 a month for this program.

Hazardous Road

A petition bearing the signatures of 16 residents was presented Jones County Commissioners Court Monday, asking that something be done about a hazardous condition which exists on a county road

south of Avoca near Funston.

A. N. Masters and Frank Rogers presented the petition, explaining that the road detours around a tank and that the turn is so sharp that several accidents have been narrowly averted at the point. The tank is on the farm of T. B. Harrell and, according to members of the court, has been in existence for a number of years—probably before the road.

Commissioner Tom Boyd said he had hauled several loads of rock to place in the road near the tank because seepage from the tank kept the road wet and all but impassable. It was suggested that the road might eventually be made into a farm to market road and the situation would be resolved at that time.

Mr. Rogers and Mr. Masters were told that the commissioners would look at the road Monday afternoon and determine what steps, if any, should be taken.

Film About 'SAC' To Open at Rogue Theatre Sunday

Airforce duty officers at more than 80 U. S. Strategic Air Command bases throughout the world didn't know it, but not so long ago they talked to Hollywood film star Rock Hudson.

It happened during filming of location scenes at SAC headquarters, Omaha, for Universal's "A Gathering of Eagles," opening Sunday at the Rogue Theatre, a story backgrounded against the facilities of the most powerful retaliatory force in military history. Hudson, as a SAC colonel, was explaining the operation for the fabulous underground command post at SAC headquarters to a group of British publishers for a sequence in the film. In order to demonstrate the Red Telephone, an instantaneous communication system that links every SAC base in the world, it was necessary to use the real thing. With SAC's approval, it was arranged for Rock to replace the headquarters communications officer while delivering one of the routine

time checks on the Red Telephone to the 80-odd SAC bases. Thus, the lights establishing contact with each base would go on and off in front of the color camera in real-life fashion.

"Just the thought of picking up a telephone and talking immediately to the entire free world scared me more than anything I can remember," Hudson admitted afterwards. "I've never been that nervous in front of a camera, even when I made my first movie debut."

SAC's underground command headquarters will appear for the first time as a setting for a theatrical motion picture in early scenes for "A Gathering of Eagles" during shots that demonstrate the instant-alert status of SAC, its magnificent Positive Control system o prevent any error that could ignite a nuclear war.
